

JORDAN  
FLEMING:

LOOKING AT YOU  
MIRROR 3.0

INFO Looking At you mirrors, explores the subtle power of eye contact in human connection.

In this new version, the mirror features a silver glass insert, offering a clear, undistorted reflection that invites a more immediate and intimate encounter. Each surreal, semi-human form is adorned with cast brass elements—like fragments of jewellery—evoking the unique ways we embellish ourselves and signal identity
