

VALENTINA ORDONEZ

EXPERIENCE

Deckers Brands

Innovation Design Consultant | CA | Aug 2023 - Present

Responsibilities include conducting research, presenting ideation, renderings, technical drawings, and product wear testing in support of all Deckers Brands. Designing apparel for the Hoka Elite Athlete Trail Run Kit. Creating technical drawings and colorways for Freestyle and Street Park footwear franchises.

Wolverine Worldwide

Footwear Design Co-Op | MI | Jan 2023 - May 2023

Member of a cross-functional footwear design team that collaborated with product development and 3D developers throughout all phases of design process. Responsibilities included presenting research, ideation, renderings, technical drawings, and product wear testing for Merrell and Chaco. Designed outsole for successful franchise. Supported new category launch for Chaco by designing and creating tech packs for River Guide accessories.

5.11 Tactical

Technical Design Co-Op | CA | May 2022 - Aug 2023

Evaluated products to determine compliance of specs, construction, and quality. Updated tech packs inclusive of design sketches, technical illustrations, construction details and measurements. Prepared for fittings by measuring and inspecting garments. Ensured products met company standards for construction, performance, fit, function, and aesthetics. Participated in fit sessions on live models and recorded comments.

Hasbro | PJ Masks Team

Product Design Co-Op | Remote | Aug 2021 - Dec 2021

Designed concepts for figures and accessories. Collaborated with the Preschool design team to develop toy product along all phases of development process. Utilized Adobe Suite to design deco specification sheets, color concepts, and color guides. Reviewed products alongside engineers, package designers, brand creative and marketers. Conducted retail visit to evaluate trends on shelves.
