### Server Assistant

As a server assistant, I am constantly moving to assure that everything runs smooth for both the guest and server.

- > Provide exceptional customer service, promptly addressing customer inquiries, resolving issues, and ensuring overall satisfaction and success.
- > Effectively communicate with kitchen staff to relay customer requests and dietary restrictions, ensuring accurate and timely meal preparation.
- > Communicating with and processing people from all different walks of life, assuring a unique and professional experience for guests.
- > Assisted servers with food and beverage service, ensuring prompt delivery and accurate order fulfilment
