Around five months ago, during the regular servicing,... but this has just started a few days ago..

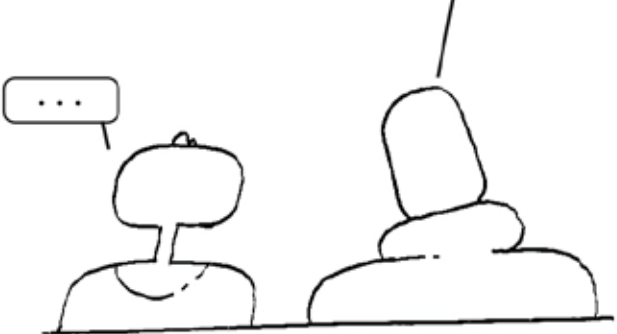

This ones rotting from the inside...

A black and white line drawing of a person from the back, holding a front-loading washing machine. Inside the machine, a chicken is being washed. The person is looking at a smartphone.

Do you have another incubating?

yeah...

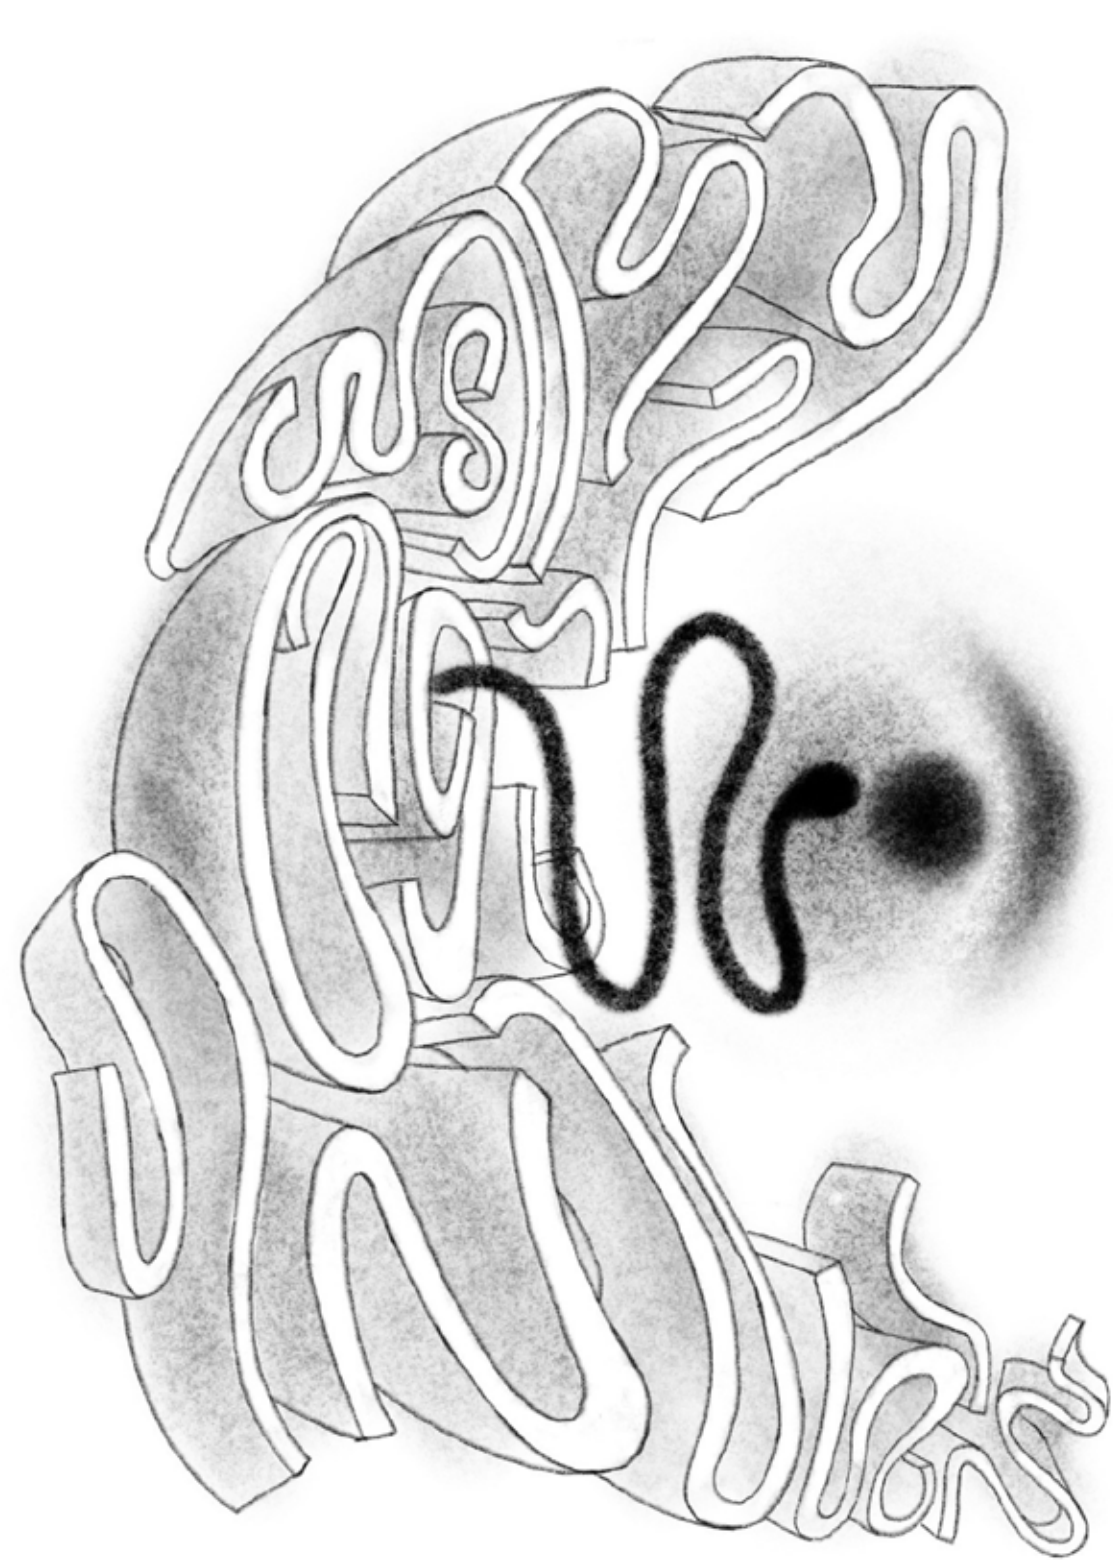

You'll have to do without the home AI for a couple of days while that one is ready.

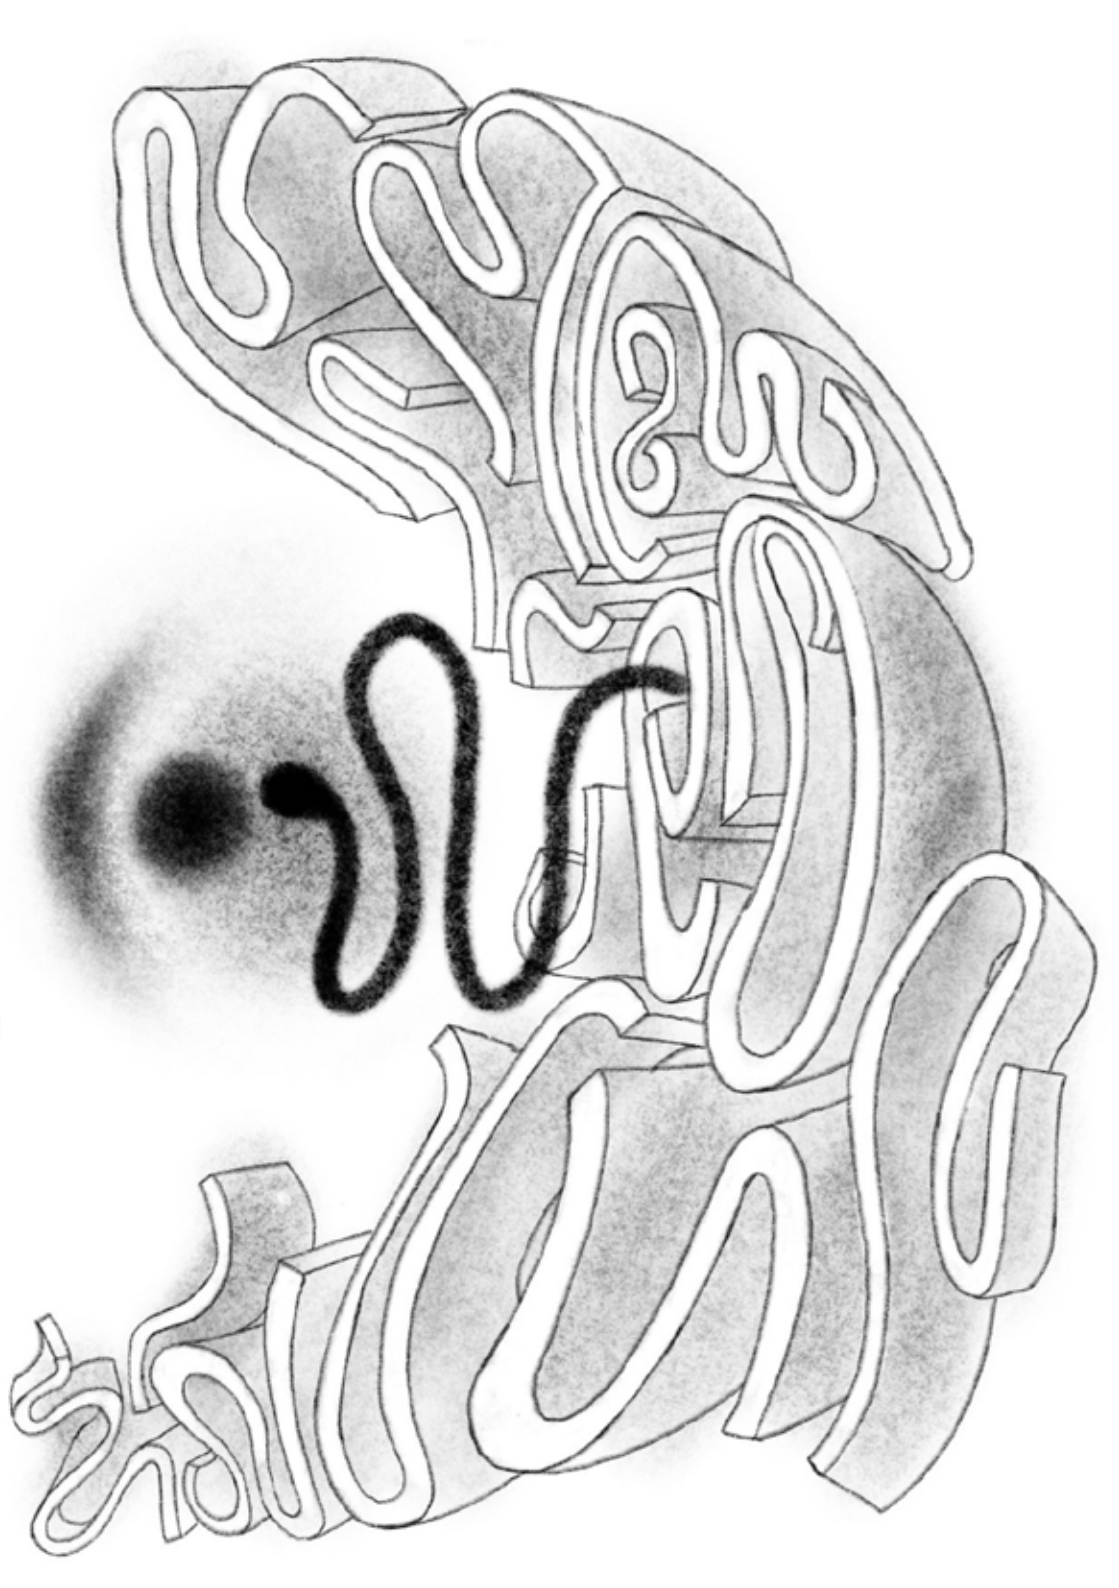

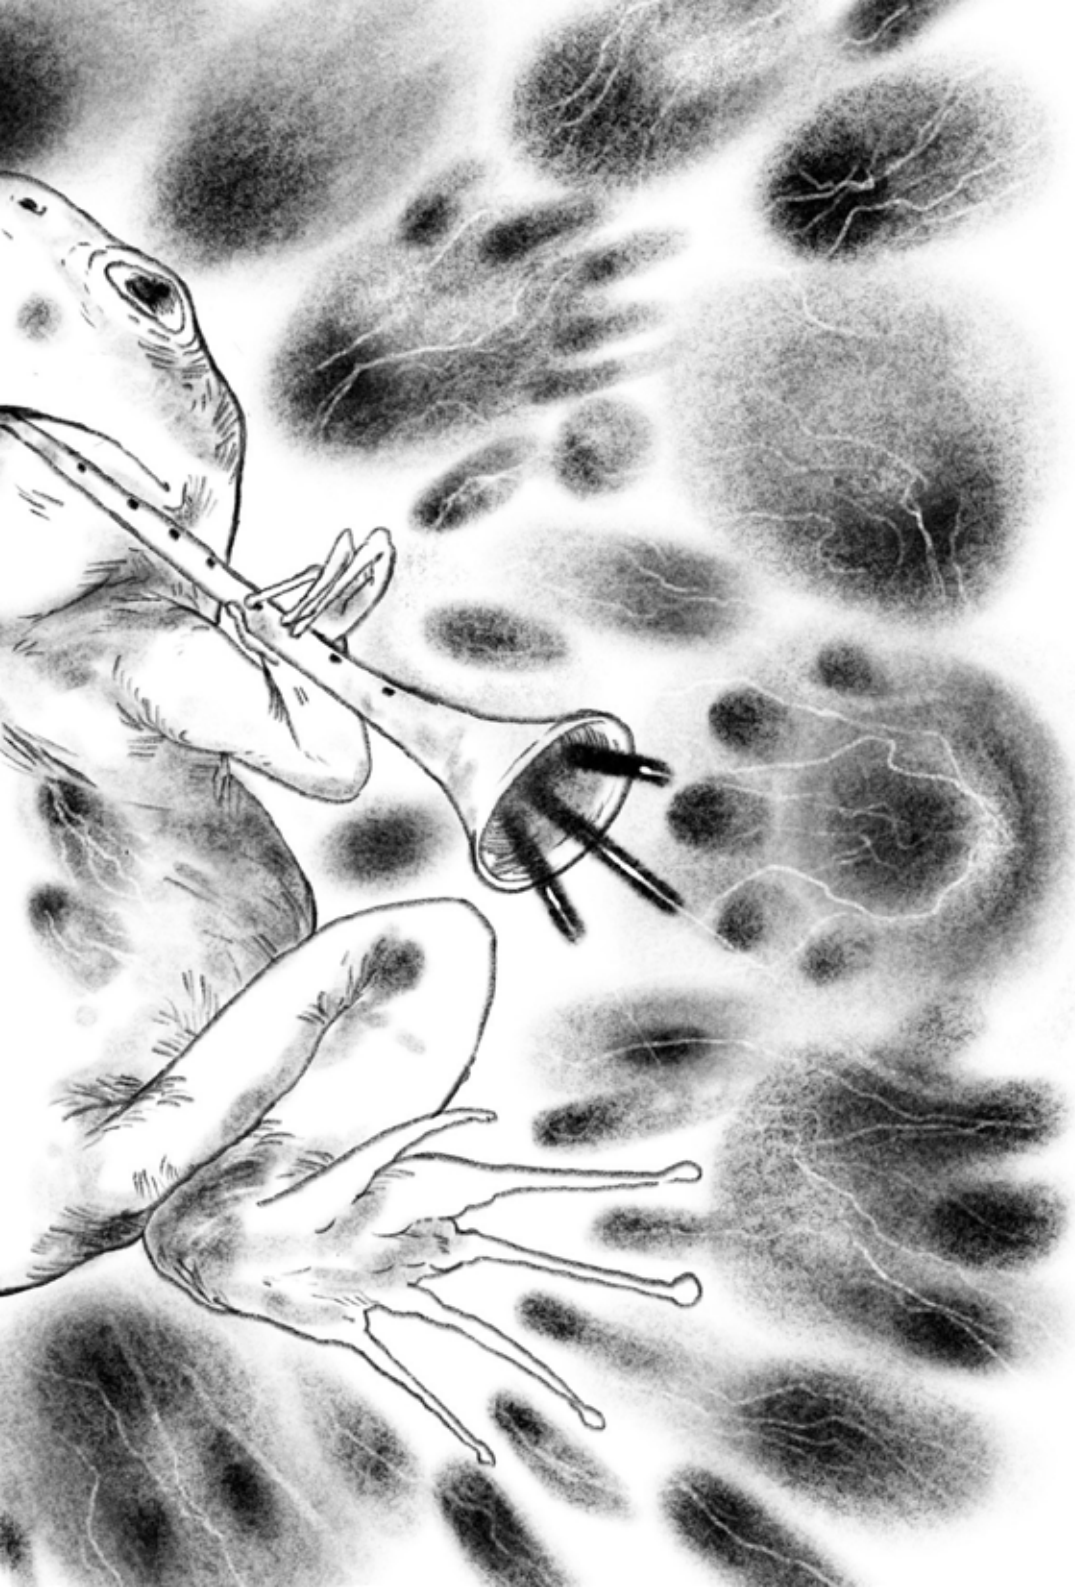

A black and white line drawing of two people sitting at a table. The person on the left has a speech bubble with three dots.
