

Andrea Rojas Doupovec.

EXPERIENCE

Missed Connections (Spark! Fellowship Program)

UX/UI Design Intern | Jan 2025 - May 2025

Assisted in designing intuitive user interfaces and creating wireframes, prototypes, and high-fidelity mockups for key features like profiles, event pages, and connection prompts.

Collaborated with the development team to integrate design elements and refine mobile functionality.

Iterated on design concepts based on user feedback and testing results.

AW-ARCH (Anmahian Winton Architects)

Architecture & Design Intern | Jan 2025 - May 2025

Participated in the development of architectural drawings, sketches, site plans, and construction details.

Supported preparation of presentation materials, layouts and visualizations.

Gained hands-on experience in drafting, modeling, and presentation tools.

Collaborated with multidisciplinary teams, refining design, problem-solving, and client interaction skills.

College of Fine Arts Student Government

School of Visual Arts Representative | Sep 2024 - Present

Acted as a liaison between students, faculty, and administration, voicing student concerns and facilitating communication.

Planned and executed events to foster community engagement, such as art exhibitions, workshops, and social gatherings.

Created promotional graphics, posters, and other visual materials for events and initiatives to engage the student body and enhance participation.

Questrom School of Business Finance Department

Graphic Design Assistant | Sep 2024 - May 2025

Provided department support with a focus on creating flyers, brochures, and visual content to promote the MS in Finance program, related events, and communications.

Cloudweaver (Spark! Fellowship Program)

Branding, UI/UX Designer | Jan 2024 - Dec 2024

Crafted branding elements for CloudWeaver's identity.

Conceptualized and create interface design and user experience for website.

Collaborated closely with development team to ensure functionality and friendliness for the user.

Tasks included creating wireframes, mockups, and prototypes for visualization.

BU Dining Services

Zero Waste Guide (Research Position) | Sep 2022 - May 2024

Spearheaded initiatives to minimize waste within BU Dining Services, implementing and promoting sustainable practices.

Collaborated with staff and students to raise awareness about environmental impact, fostering a culture of eco-consciousness.

Anos Dorados Nursery Home

Web / User Experience Design | 2021 - 2023

Innovate and improve the digital presence of Anos Dorados Nursery Home through effective web and user experience design.

Collaborate with stakeholders to gather feedback and implement user-centered design principles for an enhanced online experience.

Boston University College of Fine Arts

Tour Guide | Sep 2022 - May 2023

Conduct engaging tours for prospective students and families, providing insights into the College of Fine Arts' programs and facilities.

Squinch Magazine

Creative Director | Sep 2022 - May 2023

Lead the creative vision for Squinch Magazine, overseeing the design direction and ensuring visual cohesion.

Collaborate with writers, photographers, and editors to bring together diverse creative elements for each publication.
