

# OVERVIEW

Collision is an eSports organization that is known to be the wildcard team of any tournament or event. Our players compete at the most prestigious level of eSports and those on Team Collision are always ready to upset the competition and shock the world. Our brand is represented by our mascot, King Col, who symbolizes an off-beat prestige, one that we look for in our community. We accept that we can be different, asymmetrical, gritty, and choose to lean into our nature with our bright colors, bold type, and strong contrast.
