INTERIOR ARCHITECTURE EXPERIENCE

INTERIOR DESIGNER

Full time • New York

One M Interiors

Dec 2024 - Present

- Led hospitality design projects from SD to CD, initiating project management tasks including consultant coordination and timeline tracking
- Designed and coordinated high-end residential projects, from CD to CA, producing comprehensive drawing sets using AutoCAD and Adobe Suite
- Curated mood boards, material palettes, and FF&E selections to align with client vision and support design approval presentations

INTERMEDIATE INTERIOR DESIGNER

Full time • New York

Design Next Agency

June 2024 - Dec 2024

- Leading the design for five restaurants, including Michelin contenders, from concept to opening, with a focus on creating standout dining experiences
- Handling space planning and material choices, ensuring that the design fits the client's vision and the atmosphere of the interior
- Working closely with architects, contractors, and vendors to bring ideas into action while staying on top of timelines and budgets

INTERIOR ARCHITECTURE DESIGN ASSISTANT

Intern • Bangkok

HAS Design & Research

Dec 2023 - Apr 2024

- Led design efforts for the S-ONE Aluminium Pavilion exhibition at the 2024 Thailand Architect Expo, focusing on spatial planning and conceptual development
- Produced detailed Rhino drawings and conducted volume research to support the exhibition's installation and execution
- Coordinated teams to meet structural and design goals, creating a pavilion that attracted over 10,000 daily visitors and, though initially temporary, was later installed as a permanent city landmark

EXHIBITION DESIGNER & MODEL RESTORER

Intern • New York

Manhattan House

Mar 2023 - Jun 2024

- Designed and curated an engaging exhibition that connected the building's historical significance with residents through interactive, narrative-driven, and immersive spaces
- Led the restoration of a 1/8" scale architectural model originally crafted by SOM, ensuring precision and adherence to historical accuracy
- Coordinated material sourcing and organized public exhibitions, showcasing the restored model and interactive displays, drawing attention to the building's legacy

INTERIOR DESIGNER

Full time • Hangzhou

Chenlin Design

May 2021 - Aug 2022 & Summer 2023

- Specialized in designing high-end restaurants, analyzing regional characteristics and style trends to create unique, tailored concepts
- Conducted in-depth pre-design analysis, research, and client consultations to develop designs that aligned with the brand's identity and customer experience
- Delivered comprehensive design solutions, including digital drawings, 3D modeling, furniture selection, video reporting, and on-site guidance for construction and installation to ensure final quality aligns with client expectations
