## 2D Animator

Email - [ameliarhollingsworth@gmail.com](mailto:ameliarhollingsworth@gmail.com)

<https://mahoupeach.wixsite.com/mahoupeach>

I am a **first class 2D animation graduate** living just outside of London. While studying I have directed multiple short films, developed my personal style through commissions, and learnt how to use **multiple industry relevant software**.

Despite traditional animation being my strength, in my final year I discovered my enjoyment of rigging in **Toon Boom**, creating characters and posting them online in my free time. Due to my solo project, I have also gained experience in 2D compositing. Since Graduating, I have completed multiple paid projects for small clients and freelanced in **Studios like Tinmouse Ltd.**

I am currently looking for more work in the creative industry to not only strengthen my portfolio, but also to contribute towards positive and interesting creative projects.

My work is showcased at: <https://mahoupeach.wixsite.com/mahoupeach>

## Education

September 2021- May 2024 Hertfordshire University

BA (Hons) 2D Animation (First Class)

## Animation Work History
