Interactive customized magazine for guiding adaptation and value contribution of your creative journey in the UK creative industries

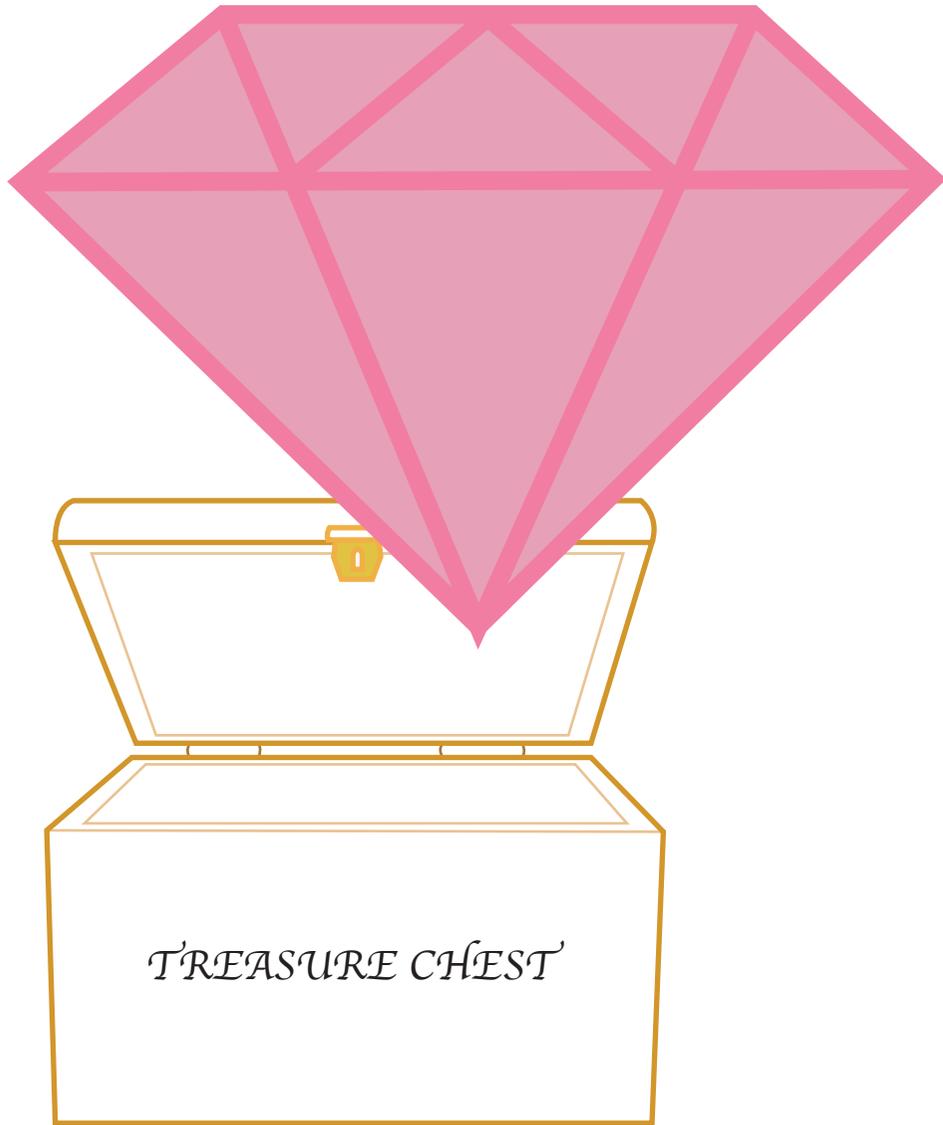

Erin Junru Xie

Create your identity card to introduce yourself to the UK creative industries

**Name:**

Please draw a self-portrait for this identity card photo area

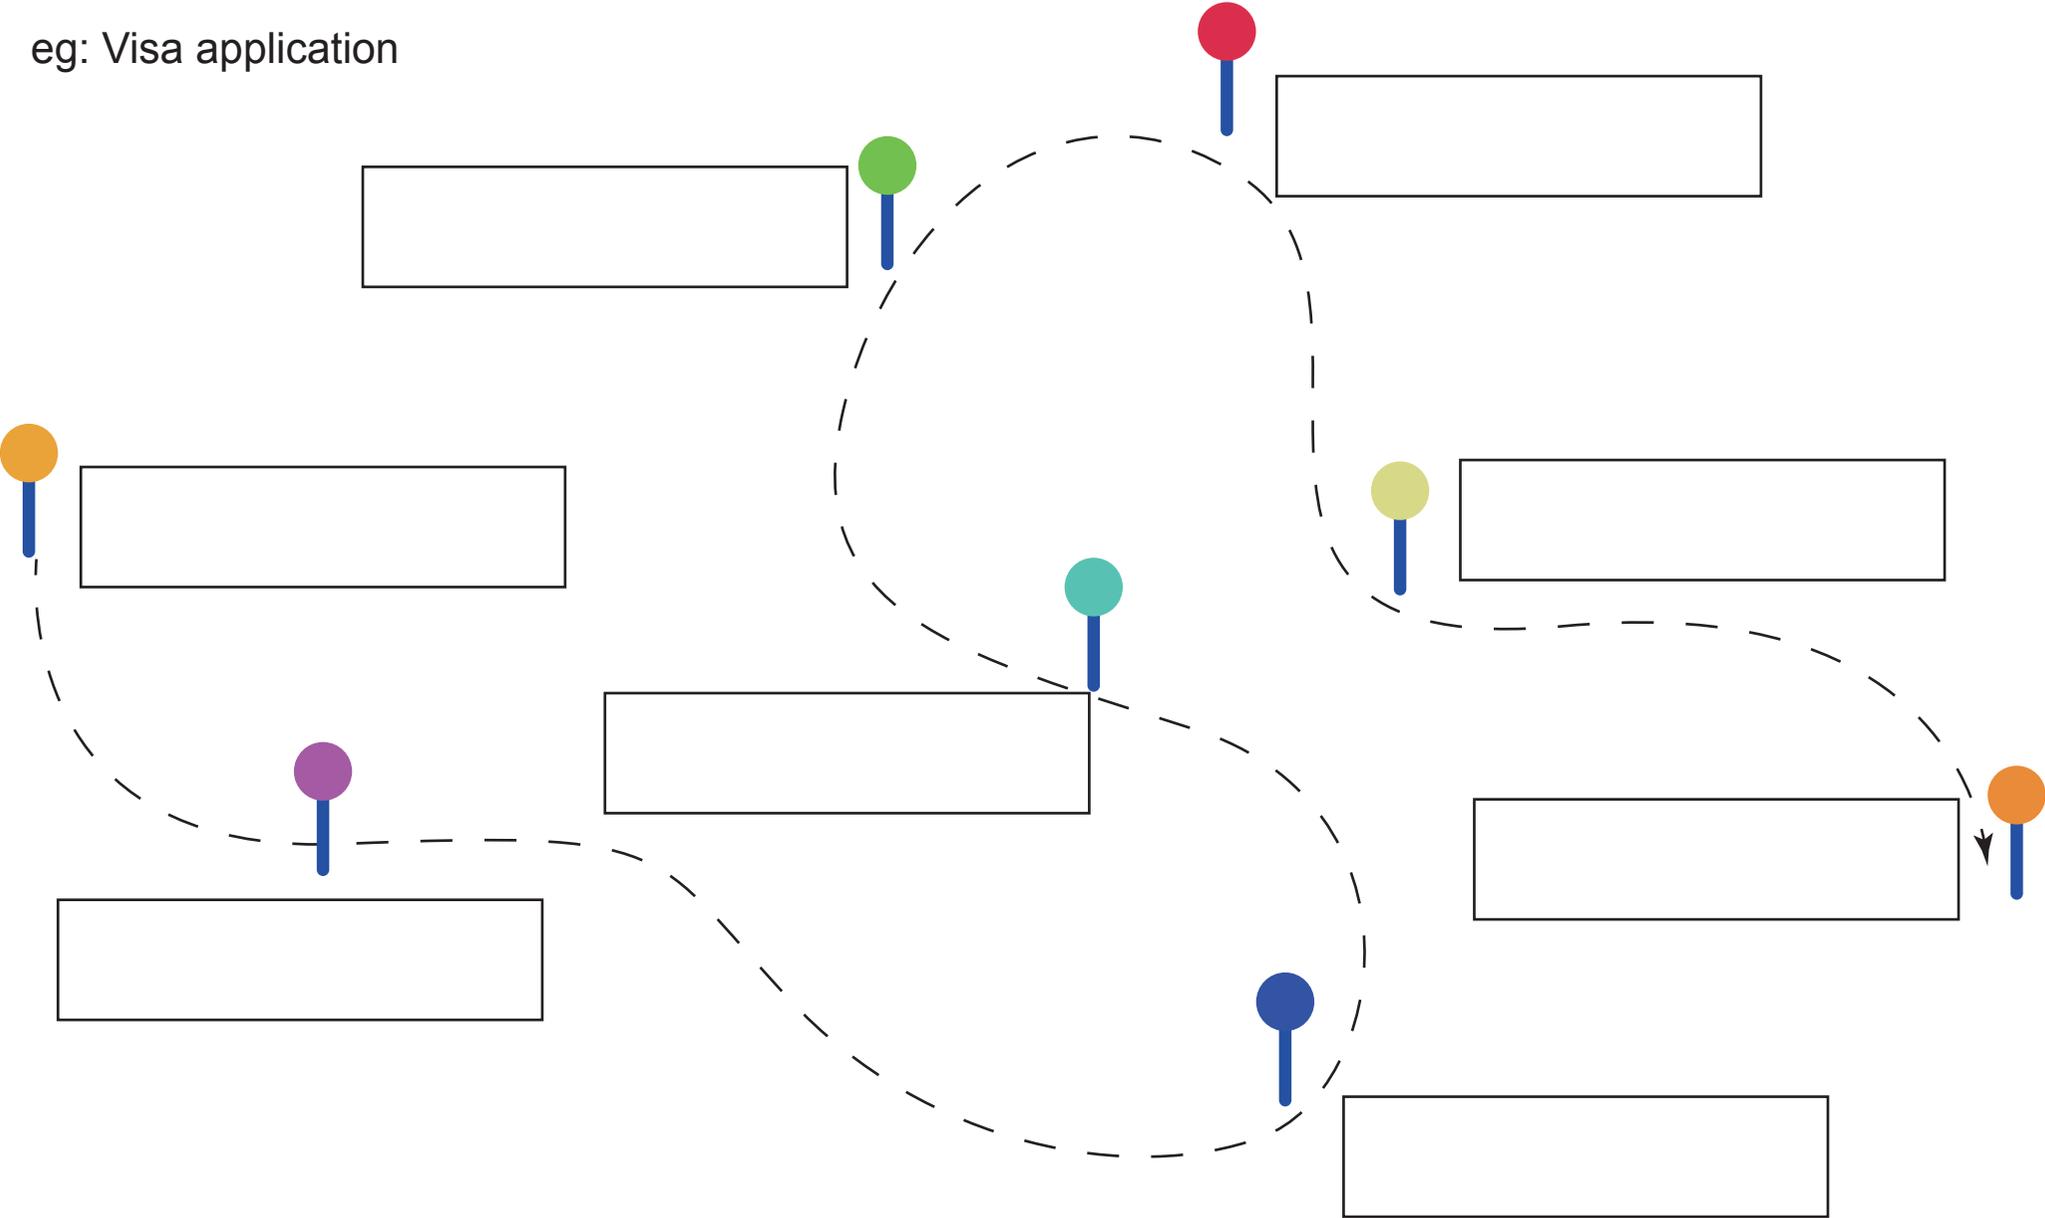

Please type/write down your abilities or values for the UK creative industries in order to put them into the treasure chest

A pink diamond graphic, identical in style to the one in the illustration, is centered over a set of horizontal lines. The lines are spaced evenly and provide a guide for writing. The diamond is semi-transparent, allowing the lines to be seen through it.

# Create a journey for your adaptation process in the UK creative industries (you can skip any spots)

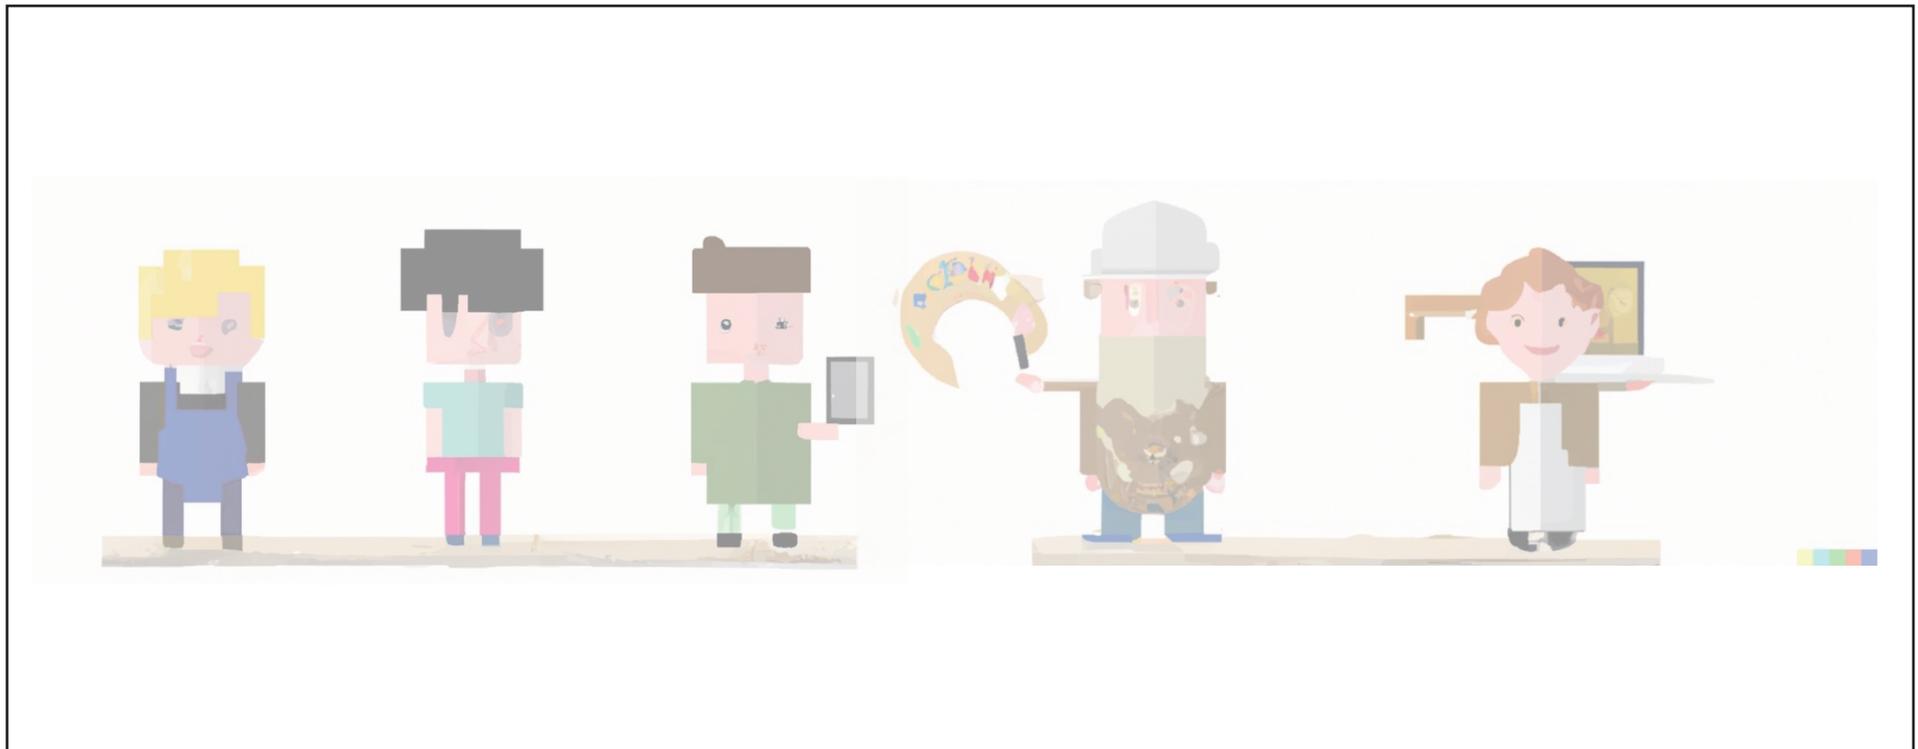

Please fill in the empty box area

eg: Visa application

# **Ambition and Imagination for the future of you in the UK creative industries**
