

# LISA JIAMING XIAO

Digital Designer | Worldbuilder | Interdisciplinary Artist

I am a motivated and ambitious architecture student, digital designer, world-builder, and creative seeker. With a background in architecture, I strive to create real-time interactive experiences through innovative digital technologies to visualize spaces and habitats with the potential of providing social commentaries on the modern world while speculating for the future.

## WORK EXPERIENCE

- 06.23 - 08.23  
**Architecture Summer Intern**  
Skidmore, Owings & Merrill | London, UK  
Participated in an Architectural Visioning Competition to develop a waterfront mixed-use district. Provided creative concept solutions through conducting site analysis, massing studies and facade designs. Collaborated and communicated closely with professionals in architectural and interdisciplinary fields.
- 05.22 - 06.23  
**Student Assistant**  
AA Bookshop | London, UK  
Responsible for sales, book related enquires, up-keeping, managing and restocking the university bookshop.
- 09.19 - 06.20  
**Maker Club Founder and Co-director**  
Aloha College | Marbella, Spain  
Aloha College's Maker Club was founded to provide young aspiring designers a platform to innovate, create and make; a valuable hands-on experience previously missing in the sbchool environment.
- 06.19 - 08.19  
**Intern**  
Tianjin University, Research Institute of Architectural Design & Urban Planning | Tianjin, China  
Participating and documenting during design meetings and filing office reading materials.
- 09.18 - 06.19  
**Student Assistant**  
Aloha College | Marbella, Spain  
After-school tutoring for primary school students, ranging from providing revision material to homework support.
