A V A C U L L E N

I am very **motivated** and I work well individually or as a member of a team. I'm **creative** in my approach to working and resolving problems that may arise. I follow instructions well and approach work with an **extremely positive attitude**. I'm **punctual** and **prepared**. My schedule is **completely flexible** and I am available to work at any time. I would very much welcome any opportunity to gain experience and skill.

I have done various work experience placements in the **art and design industry** with experience in **planning**, making art for, **curating** and **setting up an exhibition** in the NCAD Gallery, volunteering in the Kerlin Gallery, and creating displays such as an exhibition in the RHA while on work experience with Black Church Studio.

EDUCATION **National College of Art and Design, Thomas Street D8** — *Fine Art, Print.* September 2022 - Currently studying

Mount Temple Comprehensive School, Malahide Road D3
September 2016 - June 2022

SKILLS

I am currently an undergraduate studying Fine Art Print in NCAD, with an immense interest in art, curation, history and design.

I have a naturally creative mind and I have absolutely excelled in my first two years of college being **surrounded by my passion as a working environment**.

I am an **extremely strong communicator** and a very **positive person**, always with a smile on my face. My experience in positions such as being **class rep** for my department in print, waitressing, childcare and education have enhanced these qualities.

I have **excellent time management** in all past jobs and school and college attendance, **never late and only absent if absolutely necessary**. Used to working shift work. I am known to **learn new skills quickly and efficiently**, and given a lot of **responsibility** early in jobs due to this skill along with my great enthusiasm to each and every task.
