Profile

Photographer and student at London College of Communication (UAL) pursuing an MA in Commercial Photography. Drawn to mid-century advertising; producing bold, high-contrast and colourful imagery. Currently exploring the idea of photo poetry and creating visuals to go alongside words. A finalist in the AOP Student Award, and had work shown in exhibitions in Plymouth, London and Oxfordshire.

Experience

Photographer	Happy Cakes	03/24
	<ul style="list-style-type: none">• Created a selection of images to use on social media and web presence.• Concept was my own and the client gave me free reign.	
Curator	London Collgege of Communication	02/24
	<ul style="list-style-type: none">• One of two students working to create the show including designing bios, sequencing work and installing the show.• Collected bios from students which included a description of their work, dates and their instagram.	
Photographer, Production coordinator	Fisher Studios	10/21 – 12/23
	<ul style="list-style-type: none">• Production managment, speaking to clients, post production, and studio product photographer.• Engaged with costomers daily to deal with enquiries over the phone and email from the enquiry stage through to delivery of the photos.• Took passport photos, working on product shoots which ranged from 300 items in a day, to more complex styled images.
