Teacher's Assistant for Design 102, Design 201, and Architectural Representation

Work Experience

2022-Current **PBDW Architects, Junior Architectural Designer**
New York City, NY
Worked with multiple project teams through proposals, LPC submissions, SD, DD, and CD. Project programs ranged from Education, Residential, Cultural, and Commercial. Utilized programs such as Revit, AutoCAD, SketchUp, Enscape, and Adobe Suite. Tasks included producing renders, producing sets for submission, coordinating with multiple teams and project managers, and coordinating with manufacturers. Participated in the firm's current DEI efforts with the "Process" and "Mentoring" group and worked on standardized templates for the firm's use per project.

2022-2023 **Chadha Ranch, Freelance Designer**
New York City, NY
Freelance work with design studio based out of New York City. Work included schematic planning for masterplans, interior renderings and layouts for a beauty retailer, and multiple design schemes for New York Fashion Week including brands such as Aje and Helmut Lang.

2021 **Pratt Institute School of Architecture, 3D Print Lab Monitor**
Brooklyn, NY
Assisted with document collection and presentation for RIBA accreditation for Pratt Institute's School of Architecture. Tasks included file management and portfolio management via indesign. Responsible for the 3D printing lab's software and hardware during the printing process.

2018 - 2019 **HKS, Architectural Intern**
Dallas, TX
Interned with BIM management group (summer 2018) and the healthcare sector (summer 2019). tasks included modeling revit families, site analysis, early design development, and revit maintenance.
