About Me

Photographer and retoucher specialising in still life and textural studies, with a focus on the interplay of juxtaposing elements. Based in London and the Midlands, with 5 years of in-house photography experience and currently pursuing a Master's in Commercial Photography at UAL.

Experience

In-House Photographer and Retoucher Omlet June 2019 - Present

Photographing pet products with animals and models in both the studio and on location, including international shoots. Executing product launches and page updates, and ensuring alignment with social media campaigns. Refining the filing structure for enhanced organisation and accessibility of the extensive image library. Collaborating with the creative and marketing teams to strategically plan, create, and expertly retouch content. Ensuring the final images are optimised for a variety of uses and outputs across digital platforms, internally and externally. Developed the photographic aspect of the 2023 rebrand with Ragged Edge.

Freelance Photographer Tibbets Group Feb - Jun 2022

Photographing and retouching the update of a comprehensive catalogue of clutch parts. Orchestrating, photographing, and retouching group shots for Tibbets Group's divisions.

Creative Assistant Omlet Dec 2020 - Apr 2021

Sabbatical cover overseeing the logistics for photoshoots, including equipment organisation and set-up. Managing the studio, location scouting and prop sourcing. Liaising with the Creative Manager, Directors, and videographers to ensure that the creative vision is realised seamlessly and successfully.

Freelance Photographer UJ Developments Jun 2020 - Mar 2021

Capturing the dynamic transformation of luxury homes during real estate renovations. Documenting the evolving stages with a keen eye for detail.

Freelance Photographer Coventry University Sep 2019 - Apr 2020

An integral member of the media team tasked with comprehensive coverage of the guest lecture series for Coventry University Photography (CUPH).
