EXPERIENCE

Golden Muse Winery & Art Gallery - Baroda, MI
Server and designer | May 2023–August 2024
Be knowledgeable about wine, serve light bites and wine to customers, and talk about art
in the art gallery. Designed posters for events held at the winery.

Ryebelles - Saint Joseph, MI
Website Designer | May 2023–August 2023
Researched, designed, and implemented a website for a local restaurant.

Consumers Energy- Detroit, MI
Interaction Design Sponsored Studio | September 2022–December 2022
Worked with a team of two to design and implement a learning program for electric vehicles:
by bringing info to the younger generation. Strayed away from social media as the main form
of content creation, and turned more to real-world experiences

* Futures Foundation - Detroit, MI
Rebranding Design Sponsored Studio | September 2022–December 2022
Worked with a team of three to rebrand the company. Our team's design was chosen for
implementation and execution. Our design focused on the concept that Futures Foundation
fills the gap in resources available to the disabled community.

Futures Foundation - Remote
Research and Design Intern | May 2022–August 2022
Worked with Futures Foundation in preparation for class partnership in Fall 2022. Conduct-
ed extensive research, interviewed grant recipients, and created early concept ideation for
social media posts.

Gateway Independence - Saint Joseph, MI
Caregiver | April 2018–August 2024
At-home caregiver for 30-year-old sister with Retts Syndrome. Made sure she was changed,
dressed, fed, and bathed as needed. Extensive paperwork was completed for every shift.

Krasl Art Fair- Saint Joseph, MI
Water Street Glassworks Glass Artist | August 2015–2019
Sold my glassworks made throughout the year in the Water Street Glassworks after-school
program. Proceeds helped with program funding. Learned about the business of art and
design, and developed and implemented design concepts.

INVOLVEMENT

AIGA Student Chapter
2019–2024
Contribute to designing for program funding. Participated in mentor-ship program.

Water Street Glassworks After School Program
2015–2019
Weekly glass-making after school program, with a full scholarship.

Key Club
2016–2017
Volunteered at events in the community. Helped brainstormed ideas for fundraising.
