Alexandra Negru

1 Sep. 2025

Alexandra Negru (b. 1995, Republic of Moldova) is a visual artist and designer based in Germany. Her current practice centers on drawing and personal storytelling. She continually revisits memories, home, dreams, and the passage of time; this practice keeps her connected to places, people, and versions of herself that no longer exist, yet still shape who she is. Her works have been exhibited across Germany and Austria, and are held in private collections in Moldova, Austria, Germany, Liechtenstein, and Poland
