1: Security, comfort, inside the cocoon, deep, calming noise, steady humming, vibration

2: Fear, acceleraction, enclosed, holes in the cocoon, interior breaks open, restless glissandi

3: Screaming, sharp, strong attack, dissonance, uncomfortable dynamics, harsh crash

4: Silence, whimpering, hybrid singing, memory, voiceless noise, huffing, breathing

1. Geborgenheit, Sänger*innen im Raum verteilt.
