## Work Experience

### Steven Harrington Studio Studio Assistant

May 2025 - Present

Worked on painting and maintained detailed image archives, documenting new works while meeting deadlines independently. Collaborated with team members on various studio tasks and digital projects, including computer-based design and creative production.

### Flowers Club Graphic Designer / Illustrator

Sep 2023 - Feb 2025

Branding a clothing brand and worked on branding, including logo design, apparel illustrations, accessory design, posters, and managing promotions on Instagram and other platforms. Additionally, I undertook a project to create art toys that matched the brand image, and also produced packaging and 3D mockups.

### All From Mium Album Cover Art Freelance

Nov - Dec 2024

After evaluating various samples to meet the client's specifications, a 3D digital model was developed to match their expectations. The project presented unique challenges, as the model had to blend elements of both realistic and illustrated styles.

### On 6th Avenue Graphic Designer

Jun 2024 - Nov 2024

On 6th Avenue is a Los Angeles-based group of unique Korean nightlife and restaurant venues. My role involved menu design, posters, banners, and creating social media content for Instagram.

### Lucky Jefferson Illustrator Internship

Sep - Nov 2023

Created weekly illustrations for a quarterly zine featuring unpublished poets, actively engaging in collaborative projects with fellow artists.

### Lumiere Art Studio Freelance Illustratator

Sep - Oct 2023

It's in charge of helping out with all sorts of illustration editing, color theory, modifications, and other editing needs for studios working on children's book illustrations.

### Rest Album Cover Art Freelance

Aug 2023

Multiple samples were evaluated to meet the client's specifications, resulting in a model that aligned with the client's requirements and chosen samples. Through model editing and graphic design, the final cover was completed.
