

SOLACE ENWERE

ARCHITECTURAL DESIGNER / 3D ARTIST

A Master of Architecture graduate who is enthusiastic about connecting architectural design with visual arts. By blending computational methods and traditional crafts and drawing inspiration from indigenous cultures, I delve into how ancient practices can influence design. My goal is to combine historical wisdom with contemporary innovation in all my projects.

EDUCATION

MASTER OF ARCHITECTURE

SCI-Arc | 2020-2023

BACHELOR OF ARTS - INTEGRATIVE STUDIES

University of North Texas | 2010-2014

EXPERIENCE

CREATIVE CONSULTANT

Snezh LLC | 2018-2023

Tasked with steering the artistic vision, blending visual and conceptual elements of the digital store to align with the brand's core and aspirations.

SHOW HOST

SCI-Arc | 2023

As a member of the event planning team, I participated in organizing, creating, and managing the yearly Spring Show at SCI-Arc. This event highlights students' work annually. For the 2023 edition, the theme was named SCI-Arc Night Live, drawing inspiration from SNL.

FUNDRAISER

UNICEF Australia | 2017-2018

Engaged in fundraising to support UNICEF's initiatives aiding malnourished and underprivileged children worldwide. Additionally, I secured sponsors through raising awareness and shedding light on challenges impacting children in need both locally and internationally.
