

Relevant Work Experience

University of Kent Law School

Canterbury, UK

Lecturer and Researcher: 04/22 – present

- Module convenor, syllabus coordinator: *Introduction to Property Law* (UG), *Advanced Topics in Property Law* (UG), *Environmental Law: Theory & Practice* (UG), *Law, Science and Society* (PG), *Land & Climate Justice* (PG), *Climate Change & Renewable Energy Law* (PG). Co-convenor: *Global Environmental Law & Pollution Control* (PG). Teaching experience: *Land Law* (UG), *Equity & Trusts* (UG).
- Administrative roles include School Advisory Group, PGR Liaison, Kent Law School Research Committee, ex-officio member of two hiring committees, and Academic Excellence Coach (ACE).
- Academic advisor to over forty undergraduate students and dissertation supervisor to eleven postgraduate students. Supervisor to two PhD students.
- CSHE Postgraduate Certificate in Higher Education (PGCHE). Date of completion: June 18th, 2024.

KTH Royal Institute of Technology

Stockholm, Sweden

Visiting fellow: 01/26 – 04/2026

- Spring Term fully-funded visiting research fellow at the Centre for Anthropocene History, Division of History of Science, Technology and Environment.

Institute of Advanced Legal Studies

London, UK

Associate research fellow: 09/25 – present

- I am developing a new inter-departmental centre for environmental legal humanities, bridging the Legal Humanities Hub and the Environmental Humanities Hub of the School of Advanced Study of the University of London. The new initiative is funded by the School of Advanced Studies, and will facilitate lecture series, reading groups, and workshops for both established and emerging scholars.

Creative Europe S+T+ARTS STUDIOTOPIA Fellowship

Linz, Austria

Young Scientist fellowship: 01/2025 – 12/2026

- Selected by Creative Europe Program & Ars Electronica, Linz to develop a public exhibition in collaboration with Territorial Agency, responding to the challenge of *Updating the Great Acceleration Charts*. Exhibition will be part of Ars Electronica Festival 2026, attracting 150,000+ visitors annually.
- Convened a public symposium *Earth is a Sensorium* at Ars Electronica Festival 2025.

University of Leiden CWTS

Leiden, The Netherlands

Post-doctoral Researcher: 07-2021 – 04/2022

- Fluid Knowledge was a five-year research project led by Professor Sarah de Rijcke funded by a European Research Council Starting Grant, investigating the influence of evaluation metrics on marine and oceanographic research, as well as policy initiatives as crafted by the European Union's Directorate-General for Maritime Affairs and Fisheries.
- My research focused on an ethnographic study of the European Marine Board, conducting in-depth interviews with stakeholders to describe the day-to-day activities of marine scientists and policy makers in the context of the UN's Decade of the Ocean initiative and its stated objectives.

London School of Economics & Political Science

London, UK

Graduate Teaching Assistant: 01/2016 – 01/2020

- Running and preparing seminars for LL105 – UG Introduction to Property Law.
- Running and preparing seminars for LL275 – UG Property II (Land Law, Equity & Trusts).
- Coordinating and convening graduate writing workshops for the Law School of LSE.

Studio Olafur Eliasson

Berlin, Germany

Researcher: 08/2012 – 08/2014

- Collaborative development of exhibition and catalogue ideas as part of five-member research team working directly with world-leading artist Olafur Eliasson. Identifying research streams compatible with the artist's practice, as well as opportunities for collaboration between writers and the artist. Drafting of lectures, exhibition catalogues, and texts delivered by the artist.

Education

London School of Economics & Political Science

London, UK
