[experience]

Selected Freelance Clients

Space Gallery, The Felice Brothers, grOH! Playrooms, Maine College of Art and Design, the Guthrie Theater, the North American Society of Oceanic History, and Bowdoin College.

Woods Creative

Design internship that focused on designs for a number of projects for numerous clients. Client work includes designs for web, printed matter, custom typefaces, and research development.

KFD Studio

Designed and illustrated full invitational suites as well as other bespoke printed matter for a variety of high-end clientele including Google and the American Museum of Natural History.

Sorority Magazine

Founder and lead designer for Sorority Magazine, a culture-oriented magazine that examines topics through a feminist lens. This role includes editorial work, cover and interior design, and branding. Sorority won a Broderson Award in 2025.

AIGA Boston

Created an extensive brand identity, including a custom logomark, social media assets, web marketing materials, and large-scale screen presentations for AIGA Boston's 2024 Fellow Awards.

Humanium Metal

Designed a series of informational designs for Humanium Metal's Maine Gun Give-Back campaign.
