EXPERIENCE

University of Cincinnati | Parking Services
Patrol | Sep 2019 - Dec 2023

Conducted regular patrols and efficiently issued parking citations to ensure compliance with university parking regulations. Worked with interdisciplinary teams to provide warm welcomes and a smooth parking experience for campus visitors on the university grounds by assisting customers exiting the garage gate, collecting parking fees, writing IOUs, providing directions, and controlling traffic. Oversaw the maintenance and readiness of patrol cars and equipment guaranteeing operational efficiency and safety. Drove an LPR vehicle for Parking Enforcement and drove a golf cart for ADA. Trained New Patrols. Picked up event staff and temporarily substituted them if necessary. Obtained Defensive Driving|PCI Compliance Certificates.

Remake Project

Product Design Intern | Spring 2023

Collaborated with The Rough Journey to conceptualize and design an innovative grocery bag tailored for lifestyle Washington D.C. consumers. Led the design process from initial sketches to final tech pack creation, ensuring a cohesive and functional product design. Sourced and selected high-quality zipper and grosgrain ribbons to enhance product durability and aesthetics. Generated novel upcycling ideas for banners transforming waste materials into valuable product components. Masterfully crafted and refined pattern cutouts with multiple CMF in mind optimizing the manufacturing process.

DAAP Build Lab

Student Manager Co-op | Fall 21 & Summer 22

Managed the inventory and rental of woodworking equipment, ensuring tools were maintained and accessible for student projects. Assisted the assembly of painted walls with other Co-op and a Supervisor. In charge of closing the wood and metal shop alone. Designed and 3D-printed ergonomic covers for organizers to enhance functionality and aesthetic. Diligently reported and put up signs on faulty equipment. Supervised students in the workshop. Performed regular maintenance on machinery to ensure operational efficiency and safety.

EDUCATION

University of Cincinnati | DAAP
Cincinnati, Ohio

Bachelor of Science, Industrial Design
