## experience.

### **The Hillman Group**

*Design Intern*  
Atlanta, GA  
Fall 2023

Played a role in research and ideation for various gardening accessories. Assisted in the design and development of work gloves and jobsite storage solutions across multiple internal brands. Contributed to trend, color and material research.

### **Itoya Topdrawer**

*Design Intern*  
Boston, MA  
Spring 2023

Collaborated with the design team to design new bags and accessories. Created tech packs and digital mock ups for new products. Researched trends and new materials and created mock ups for the upcoming footwear line.

### **Day Owl**

*Design Intern*  
Pittsburgh, PA  
Summer 2022

Assisted in the creation of website and production assets for a number of real and conceptual products. Responsible for the repair of Day Owl and secondhand products. Created a preliminary LCA for all current products.

### **Blackstone Products**

*Design Intern*  
Logan, Utah  
Fall 2021

Played a role in research, ideation, prototyping and CAD for a range of outdoor accessories and soft goods. Collaborated across multiple teams and factories.
