

Kolja Tinkova
Portfolio 2025

Kolja Tinkova is a visual artist with a primary focus on photography.

Tinkova's practice centres on collaboration and collective production, guided by an approach grounded in care and intimacy. Alongside individual artistic work in documentary and portrait photography, Tinkova leads on the creative production and coordination of exhibitions, installations, performances and other multimedia projects, involved in both conceptual and hands-on production, including research, spatial design and technical coordination.
