# BRIGHT THING SMALL

**INFO**

The Bright Things began as a series of creature-like doodles, evolving into sculptural lamps that feel like characters in their own pantomime. Their theatrical forms—mushroom-like shades with protruding legs—bring a playful presence to any space.

Each piece is hand-built using sculpting plaster mixed with raw pigments, resulting in a rough-hewn, organic surface that celebrates imperfection. Made to order, every lamp is a one-of-a-kind creation.

EACH LAMP FEATURES AN EXPOSED WHITE FABRIC CABLE WITH AN E27 SCREW LAMP HOLDER AND INLINE SWITCH. ALTERNATE CABLE COLOURS MAY BE AVAILABLE FOR LARGER PROJECTS OR QUANTITY ORDERS.

FITTED WITH AN AUSTRALIAN TYPE I PLUG (STANDARD 230V).

RECOMMENDED BULB: LED, 2700K (WARM WHITE).

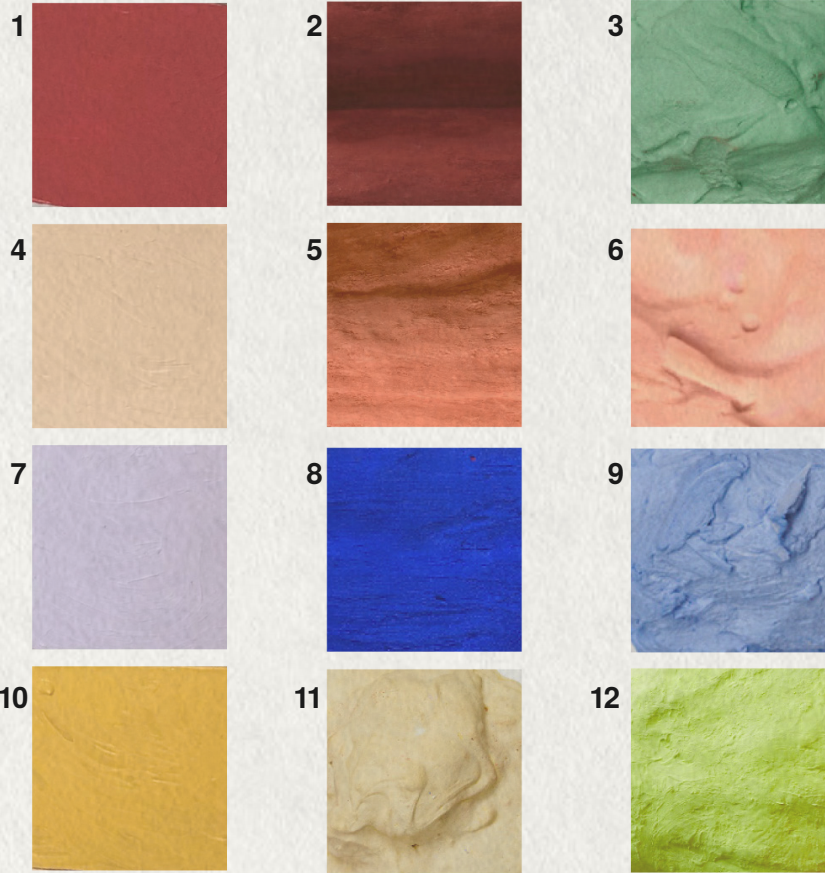

400MM HIGH  
330MM DIAMETER (LEGS)

PLEASE NOTE:  
DUE TO THE ORGANIC DESIGN AND HAND-BUILT CONSTRUCTION, EACH LAMP VARIES SLIGHTLY IN FORM ENHANCING ITS UNIQUE CHARACTER.
