Experience

Metropolitan State University of Denver BFA - Communication Design

Several years in this academic setting have honed my software skills and given me many insights into the professional world. From addressing design projects to professional practices, learning the art of communicating a story through design.

Office Depot - Service Advisor June 2022 - February 2023

Print service advising with a specialty of editing and design with a rapid turnover. Other expertise includes production management, knowledge of materials, quality assurance, hands-on production and communicating with customers.

MOD Pizza - Line Lead January 2020- August 2021

Customer Service, food preparation and service, team collaboration and coordination in a high stress environment, oversaw training and assisting hires to competency in a fast paced environment.

Parker Fieldhouse - Counselor June 2017-January 2020

Children's wellbeing and safety, Creating a welcoming and positive atmosphere for children and parents. Negotiating time and resources between camp supervisors. Managing a troop of 10-15 children ages five to six for daily activities.
