About me

I am a Graphic Designer currently based in Bristol. I enjoy making work that can educate others about the environment, as well as finding creative solutions, and designing to stand out from the crowd.

Work Experience

Freelance Designer

October 2024- Present

I started my freelance design career, working on branding and art working projects.

BBC Studios- Natural History Unit

January 2023 - September 2024

Working in Development, in the NHU, gave me valuable experience working quickly, and efficiently towards specific briefs. I learnt to create treatments and posters that stood out, and encapsulated different brands identities.

Glastonbury Photo Editor

27 - 30th July 2024

I worked as a photo editor for the BBC Sounds team during the Glastonbury Weekend. I also took on the job of assigning roles and leading the morning shifts.

City ID

April - August 2022

I Gained valuable experience with City ID, working on a range of projects, including maps in Bristol, Birmingham, and Barry Island, and signage for the Bristol Beacon.

We Design for the Community

July 2022

I attended a summer school/ internship based in London, volunteering with the charity Latin American House, designing a new logo and social media identity.

Freelance Film and Event Posters

June 2021 - September 2022

Poster Designs for the award winning short film "Artificial Nostalgia", "Alfredo" by Jecca Coleman. Opening sequence and poster design for the documentary Wasted. Event posters for Misscoteque club nights, organised by the Woman and Non-binary group (WNB).

Skills

Adobe Photoshop, Indesign, Illustrator, Acrobat, Premier Pro, After Effects.

Photography, Videography.

Achievements

2019- 2022

Student Representative

I learnt to collect feedback on the well being of student, and bring up concerns in meetings which brought about meaningful change. I also organised many social events.

March- June 2022

Final Year Publication

I was chosen to work on the final year Graphics Publication. I organised fundraising events as well as the launch event itself. I also worked on the design of the publication.

Hobbies and Interests

I am interested in book binding, which combines my appreciation of paper with my love of sewing.
