

OPEN CALL : THEME OF THE MONTH

TREES

For last month's challenge, we branched out a bit into the world of nature – and you didn't disappoint. Throughout the month we had a blossoming amount of diverse and wonderful submissions. Over the next few spreads are some of our favourites, we're sorry we can't feature them all. We will post a few more on our IG page though - so check for those when you have a minute or two.

Next month's theme is : **SEASIDE**
