Dear Human Resources Decision Maker,

I'm pleased to recommend Rachel Christian. I have worked as a Marketing and Communications manager overseeing Rachel and can attest to her excellent work and strength as an employee.

During the time I've supervised Rachel, I've found her to be a highly creative, hard-working, and innovative problem solver with a strong design aesthetic and a focus on quality. She excelled at taking complex, technical information and distilling it down into easy-to-understand infographics and visuals. She was also able to successfully manage large projects, like revising our 290-page Line Clearance Manual, independently and with minimal supervision.

I'm confident that Rachel Christian would be an asset to any company. Please contact me with any additional questions as I'd be happy to discuss them with you.

Sincerely,

David Latta
