Experience

The Ryl Company | Junior Graphic Designer

October 2024–Present

- Leading design initiatives across key touchpoints for an RTD iced tea startup including consumer packaged goods, quarterly point of sale ads, social media content, apparel, and sales presentations under fast deadlines.
- Facilitating cohesive design direction across marketing and sales teams through collaboration in meetings and off-site photoshoots.

Scout Urban Development | Design and Marketing Intern

Located at the BOK Building, June 2024–Aug 2024

- Reinforced the brand identity to establish the BOK Building as a premier arts and cultural hub in Philadelphia.
- Implemented digital and editorial systems, floor plans, signage, and brand guidelines to ensure a strong foundation for the brand's continued growth.

Exit Design | Environmental Graphic Designer (Co-Op)

April 2023–September 2023

- Collaborated with designers and planners to develop complex wayfinding systems and client presentations, including a college campus map from initial proposal to final implementation.
- Designed technical design assets using Adobe AutoCAD, including elevation plans and sign menus.

DesignPhiladelphia Exhibit | Lead Designer

September 2023–November 2023

- Led the brand and verbal identity for Drexel Westphal's exhibit, "Westphal Makes," that was presented at the 2023 DesignPhiladelphia Festival.
- Collaborated with professors, students, and alumni, to develop digital and environmental assets under tight deadlines.

Drexel STAR Advanced Research | Research Assistant

June 2021–September 2021

- Installed and exhibited a permanent gallery space with 500+ Polish posters in Drexel Westphal's URBN Center.
- Professionally photographed and archived files to preserve one of the largest Polish poster collections nationwide.
