Multidisciplinary. Curious. Experience designer. I solve roblems by connecting ideas across disciplines.

Work Experience

2021 - Present

Content Creator & Freelance

Worked as a freelance designer while building a personal brand on social media. I am now focusing on content creation alongside pursuing a master's degree. Collaborated with brands such as Pixiv, Hoyofair, and Coloso.

Jul 2021 - Sep 2021

Social Media Designer Internship · Sasom

Initially joined a startup as a freelance brand strategist, later transitioning to an intern role to assist with strategy development and crafting unique social media identities.

Jul-Sep 2018 & Jul-Sep 2019

Design Internship • The Mall Group

Assisted the marketing and design team in creating interior experiences for shopping malls in Thailand. From branding, to wayfinding, and experience design. Led character concept design for a large-scale interior branding project.
