Julian Quintero
Graphic Designer
Los Angeles, California

Specializing in Transmedia, Visual Art and Design
Education: ArtCenter College of Design, 2023-26

Experience

Visual Designer
02/2024-Present, ArtCenter College of Design Pasadena, CA
Worked with the library's Design Affairs Team (DAM) and assisted with graphic design tasks. Designed brochures, library resource posters, social media campaigns, content creation, imagery, iconography for the library website, and other printed collateral. Learned how to design with the existing branding system.

Project Highlights

Gesture Fields: Improvisational Movement, 2025, link ↗
A 368 page hardcover book about improvisational movement and dance. **Gesture Fields** is an examination about learning through consciousness and body movement both individually and collectively. Through settings like the ocean, the city and the woods.

Skills Used: After Effects, Adobe InDesign, Animation, Art Direction, Book Design, Content Creation, Identity System, Photography, Print, Adobe Premiere Pro, Presentation, Public Speaking, Research, Storyboarding, Typography, .

State of Being: The Genuine Portraits of Rineke Dijkstra, 2025, link ↗
An interactive title wall for an exhibition of Rineke Dijkstra's best works at the Moderna Museet in Stockholm, Sweden. The interactive wall features a webcam controlled with code that photographs guests and uploads them to the **State of Being** microsite. A highly conceptual piece that uses color and typography to express the artist's work.

Skills Used: Adobe Illustrator, Adobe InDesign, Figma, Identity System, p5.js, Poster Design, Projection Mapping, Print, Public Speaking, Research, Typography.

Isness: Being is Having, 2025, link ↗
A 44 page broadsheet magazine, 8 posters, and typographic explorations visually expressing the ideas and philosophies of author Neville Goddard. Ideas like The Law of Attraction, Manifestation, and The Law of Assumption. Visuals are direct and powerful referring to the ideas of the author.

Skills Used: Adobe Illustrator, Adobe InDesign, Book Design, Branding, Identity System, Poster Design, Presentation, Print, Public Speaking, Research, Typography.
