A black and white photograph of a female guitarist singing into a microphone. She is wearing a dark t-shirt with a graphic on the back and a beaded necklace. She is holding an electric guitar. The background is dark with stage lights.

# EVER SINCE YOU LEFT

“Ever Since You Left” recorded in Brighton (UK) alongside Dioooo, hints at a new era for Efro. With inspiration from PJ Harvey, Leonard Cohen, The Strokes, and Radiohead, comes together a song with calm introspective verses that explode into a chorus with a strong guitar riff and a simple clear message - “everything is blue, ever since you left”.
