- Delivered 50+ drawing sets across \$50M–\$120M projects; integrated scenic, GFX, VFX, and build notes across departments with 1–3 week timelines. Engineered scale-accurate digital models using Rhino, AutoCAD and Blender. Surveyed locations and adapted designs for constrained builds. Produced construction packages, schedules and scopes of work to coordinate interdepartmental build schedules.

## prior experience

**Coordination Assistant / Analyst** *Rolling Loud, Event Horizon Entertainment* July 2021- April 2022

Tracked, analyzed and reported ticketing and promotional materials for 40+ venues. Pitched and developed campaigns to maintain 250k engagement over 8 media accounts.

**Architectural Assistant** *LLC Interiors / KPMB* June 2020- May 2021

Produced construction drawings and rendered visual proposals. Lead site research, engaging with local communities and clients.

**Festival Director** *Festival of the Moving Image- UCL x BFI Initiative* 2020- 2022

Managed festival re-launch, produced screenings, competitions and panels with from top industry talent, Academy Award filmmakers, critics and academics. Grew an audience of over 13k members, a 65% growth from previous pre-pandemic years.

---
