

INFORMATION ABOUT INDIVIDUAL VIEWINGS AND APPLICATION FOR STUDIOS AT RKK

Welcome to Rotvoll Kunstnerkollektiv (RKK)! You are receiving this document because you have been invited to an individual viewing of one or more available studios. Please read this information carefully before attending.

1. About the viewing system

RKK operates with a waiting list instead of open public viewings. One applicant at a time is invited to apply for a vacant studio. Individual viewings require administrative resources, and our capacity is limited. We therefore aim to find suitable tenants as quickly and efficiently as possible.

2. Purpose of the viewing

The viewing is meant to determine whether the studio fits your artistic and practical needs. We only offer viewings to applicants who have already decided they wish to rent a studio at this time, and for whom the listed size and rent are in principle suitable.

3. After the viewing

If the studio suits your needs, you will have an exclusive opportunity to apply without competition. However, studios are only allocated to professional artists, in accordance with RKK's statutes and funding criteria.

4. Definition of a professional artist

- Relevant artistic education
- Main occupation in artistic creation or performance (other employment should not exceed 50%)

Applications are reviewed by one of three professional committees: visual arts, music, or performing arts/film/interdisciplinary fields, based on submitted CV and (for visual artists) portfolio.

5. Applications should be sent to:

rotvollkunst@gmail.com, and must include:

- A short presentation (2-4 sentences)
- A short motivation for joining RKK (2-4 sentences)
- CV and, for visual artists, portfolio combined in one PDF (max 10 pages)

6. Before the viewing, please confirm:

1. That you consider yourself a professional artist and can submit an application shortly after the viewing.
2. That you wish to rent a studio now, and that the listed price and size are suitable for you.

If you cannot confirm point 1, you cannot apply for membership.

If you cannot confirm point 2, please cancel your viewing.

You will keep your position on the waiting list and may contact RKK again when you are ready.
