UX + Product Designer

EXPERIENCE

PIMCO – *Global Digital Product Designer*

New York, NY | Feb 2024 – Present

PIMCO – *Global Digital Product Design Intern*

New York, NY | June 2023 – Aug 2023

Collaborated closely with Product, Marketing, and Engineering to conduct user research and create high fidelity prototypes geared towards increasing revisit rates and incorporating AI on PIMCO Pro, PIMCO's digital portfolio management tool. Successfully pitched PIMCO Pro homepage redesign to 70+ employees and executives.

PIMCO – *Sales Analyst Intern*

New York, NY | June 2022 – Aug 2022

Led user research and produced prototypes for CRM tool with Global Digital Group. Generated financial reports and hypothetical portfolio re-allocations for financial advisors. Created sales pitches for various PIMCO financial products.

Stanford Queer Student Resources – *Coordinator*

Stanford, CA | May 2020 – June 2022

Utilized \$18k annual budget to create, plan, and host in-person and virtual wellness events for LGBTQIA+ students. Designed and launched website for said programming. Co-lead inaugural REFUGE fellowship for undergraduate and graduate students exploring the intersections of queerness, spirituality, and religion (cohort of 10 fellows).

Genentech – *Business Operations (BizOps) Intern*

Remote | June 2021 – Dec 2021

Worked on numerous projects for Business Strategy, Tech writing, PV Ops, Operations/Facilities, and Continuous Improvement. Redesigned interface for BizOps tool websites. Communicated with vendors and utilized SAP to supply pilot plants with necessary materials. Led company-wide presentations of new tools utilized in BizOps.

The Foundation for Black Women's Wellness –

Primary Investigator

Madison, WI | June 2021 – Aug 2021

Utilized \$5700 budget to conduct and analyze 20+ interviews about experiences with medical racism. Presented findings to the Foundation to advocate for tangible policy reform to improve diverse experiences in medical settings.
