## ABOUT ME

Kim Barnett is a London-based photographer and filmmaker who graduated from the London College of Communication, UAL. Kim is a self-motivated and culturally adept bilingual with a passion for visual storytelling, with a sharp focus on capturing the essence of culture and individual lives. Kim has proficiency in video and audio production, with a strong emphasis on effective time management and collaborative teamwork. In 2024, she was one of the team members assisting in the final year publication, demonstrating her ability to plan schedules meticulously and leverage proactive problem-solving skills in a collaborative space.
