

COVER DESIGN

BY HANNAH CAO IN A ROOM ALONE PRESS

I offer custom cover design for authors, indie authors, and creatives who want their book to stand out on the shelf and on screen.

Whether you're publishing fiction, non-fiction, poetry, or a zine — I'll work with you to create a cover that's beautiful, market-ready, and aligned with your vision.

Interior Layout Guide

I'll create a clean and cohesive interior design guide for your book — including fonts, margins, layout structure, and sample pages — so you (or your typesetter) can apply it consistently.

It's perfect if you want a beautiful book but plan to do the formatting yourself or with someone else.
