PART 3: Label the futures cone.

The futures cone is used to project possible outcomes. Think about a situation where you don't know what will happen. Describe it here in a few words:

(ex: "climate change," "family conflict about money," "my own aging")

Predict the future of your situation by labeling the cone below. The cone represents all possible futures.

PART 4: Envision compensation.

If hired to work at the Department of Eschatology, what kind of compensation would you find most fitting? This can be any form of exchange— a salary, a service, a product, a promise. Tell us how we should pay you:

(ex: "a daily massage," "six figures," "guaranteed safety")

Please fold your completed application in half and drop it in the acrylic ballot box. Thank you.
