EXPERIENCE

Freddie Mac | Senior Designer

Mclean, VA | August 2025–Present

Create visual content for internal and external communications, collaborating across departments and with senior creatives to support campaigns, corporate events, storyboards, and short-form motion graphics. Bring designs to life that engage audiences, drive business objectives, and align with corporate branding across three distinct brands and multiple channels.

Notorious111 | Designer

Washington, DC | April 2021–August 2025

Collaborated with the brand identity team to conceptualize and execute unified brand experiences for a range of clients. Involved in every stage of the brand development process, from initial ideation to final execution, ensuring consistency and effectiveness across all touch points. Rollout collateral across all channels including print, digital, paid media and organic social. Work on multiple client projects simultaneously in a fast-paced agency environment.

Consolidated Graphic Communications | Graphic Designer

Allentown, PA | Jan. 2021 – Apr. 2021

Created print-ready files for promotional products, designed print marketing materials, and designed digital assets for clients.

American Eagle | Social Graphic Designer, Freelance

New York, NY | Nov. 2020 – Feb. 2021

Assisted the social media team in planning and designing social content for various seasonal campaigns.

INVNT | Design Intern

New York, NY | May 2019 – Aug. 2019

Supported the design team by creating signage, animations and pitch decks. Assisted in production and operations of live corporate events.

AccuWeather | Design Intern

State College, PA | May 2018 – Aug. 2018

Supported the marketing team by designing sales documents, posters, advertisements, and contributed to critiques and brainstorming.

Penn State University Athletics | Design Intern

State College, PA | Sept. 2017 – Apr. 2018

Provided assistance to the football graphic designer by manipulating templates, creating design elements, and assisting in recruitment graphics.
