

EDUCATION

University of Cincinnati

DAAP
Bachelor of Science, Industrial Design Class of 2024

Cuyahoga Community College

College Credit Plus Student
Spring 2018-Fall 2019

Shaker Heights High School

Shaker Heights, Ohio
Class of 2019

EXPERIENCE

Entrepreneurship Pilot

FALL 2024

Made a startup company called MycoStudio that specializes in speakers made out of the biomaterial, mycelium. Created branding, a website, and a market analysis geared to launch the company.

Orange Chair

SPRING 2023

Designed and fabricated custom commercial banquettes and seating. I 3D modeled, programmed for the CNC, cut and fabricated, and installed seating arrangements on site around the Cincinnati area.

Crown Equipment Corporation

SUMMER 2022

Assisted in product development of Crown forklifts and consumer electronics. Utilized thumbnail sketching, digital rendering, rapid CAD generation, prototyping, and delivering presentations.

Brainstorm School

SPRING 2021

Mentored by professional artists who create conceptual artwork for the film and the video game industry. Produced two projects centered on hard surface design.

SKILLS

3D Software

Rhinoceros 3D, Fusion 360, Keyshot, SketchUp, V-Ray, Ultimaker Cura, Prusa, Blender, ZBrush

Applications

Photoshop, Illustrator, InDesign, AfterEffects, Premiere, Adobe XD, Microsoft Suite
