“Bloom”

Who: Anyone with kids or are alone

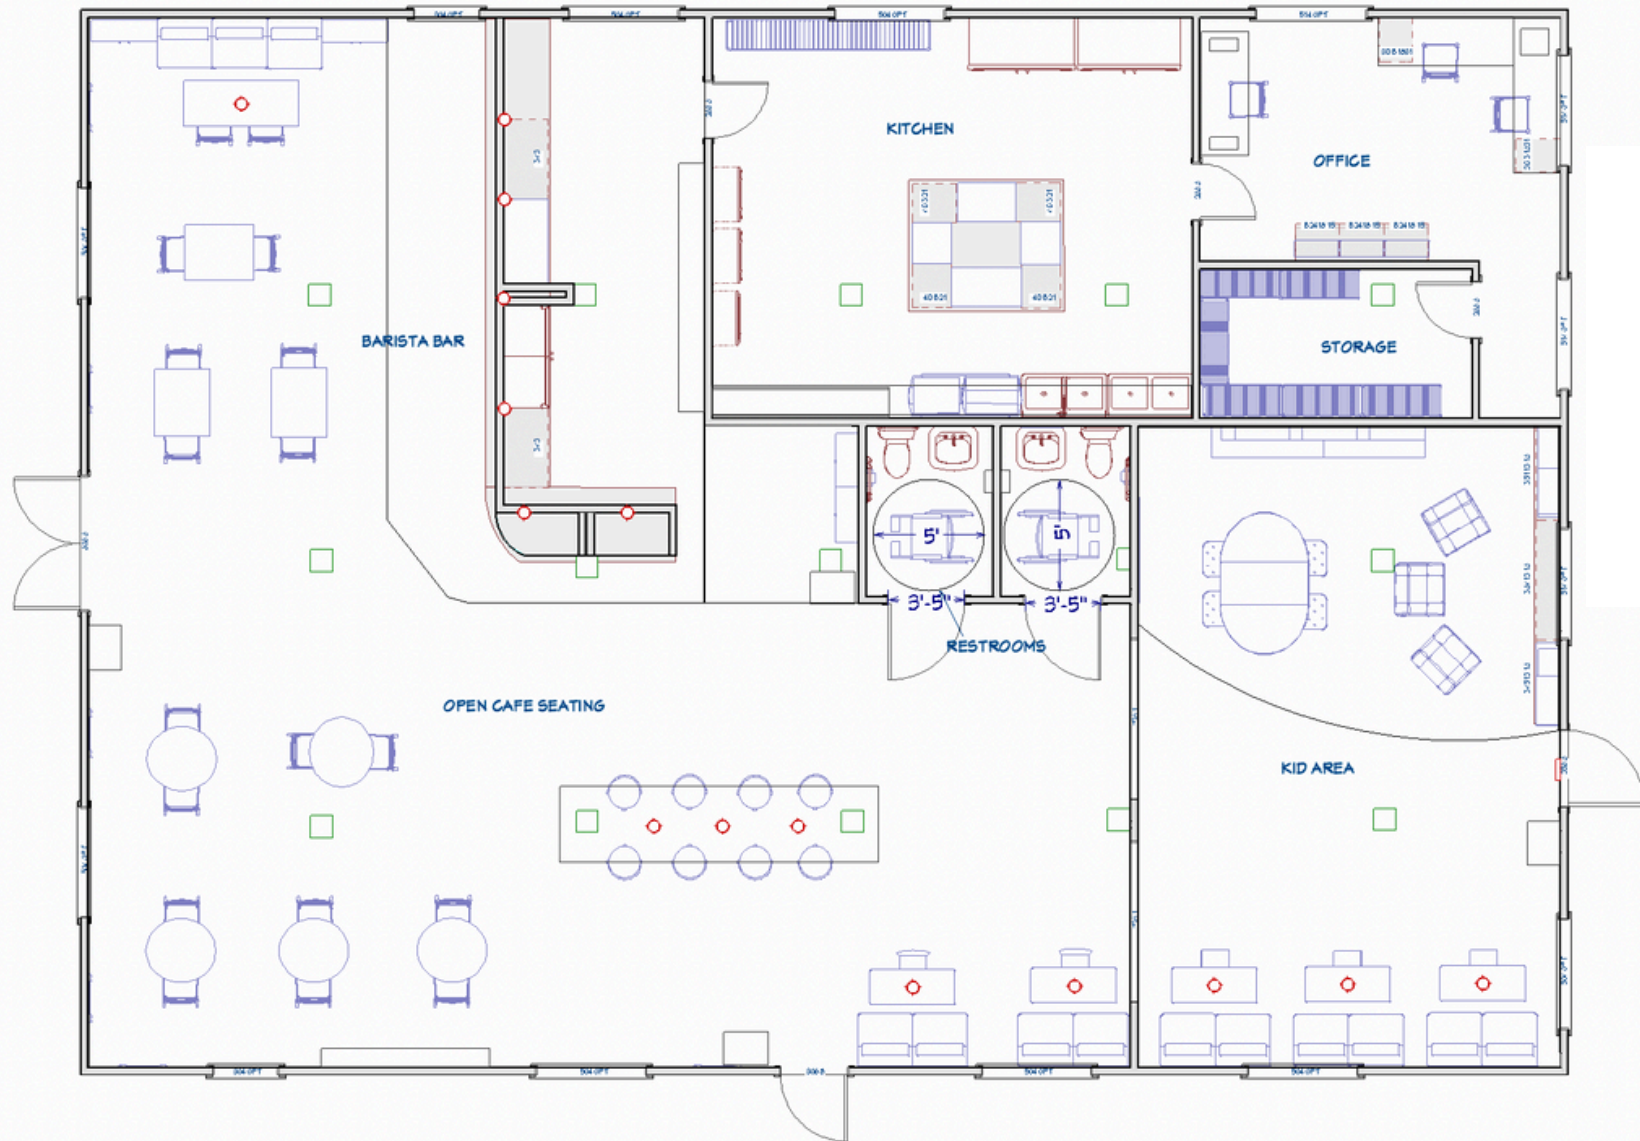

Ages: 0-100

Style Preference: French with a taste of Mid Century

Goals: Create a kid friendly space that keeps the original concept of a coffee shop

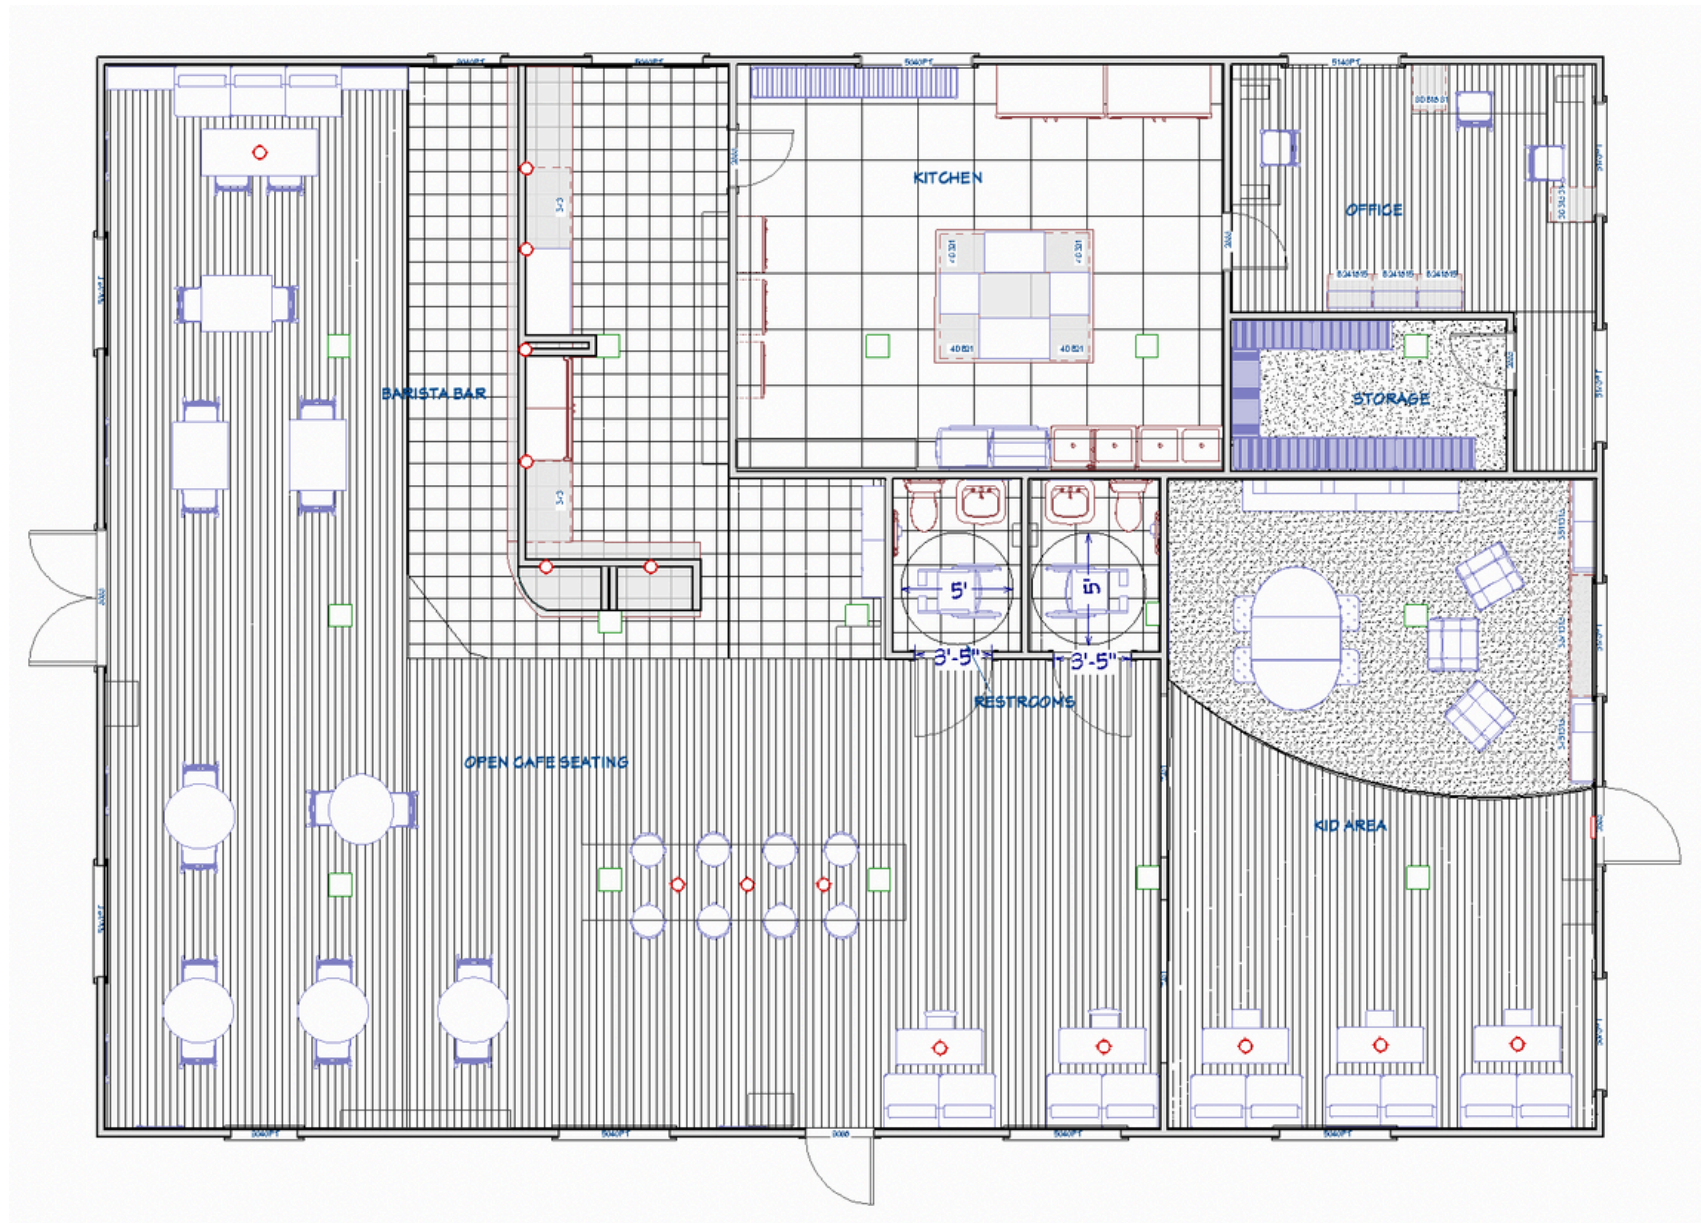

Design Concept

The design concept for a kid-friendly coffee shop blends cozy, modern aesthetics with playful touches. It features comfortable seating for families, with small tables for kids and a welcoming play corner with toys or books. Soft, warm lighting and relaxed decor create a calm atmosphere, while a kid-friendly menu offers mini-sized drinks and fun treats. The goal is to provide a space where parents can enjoy their coffee or work while kids have a fun, safe place to play.

KITCHEN PROJECT

TESSA CHICOINE

INTD 1230

SPRING, 2024

Client Profile

Who: Personal dream kitchen

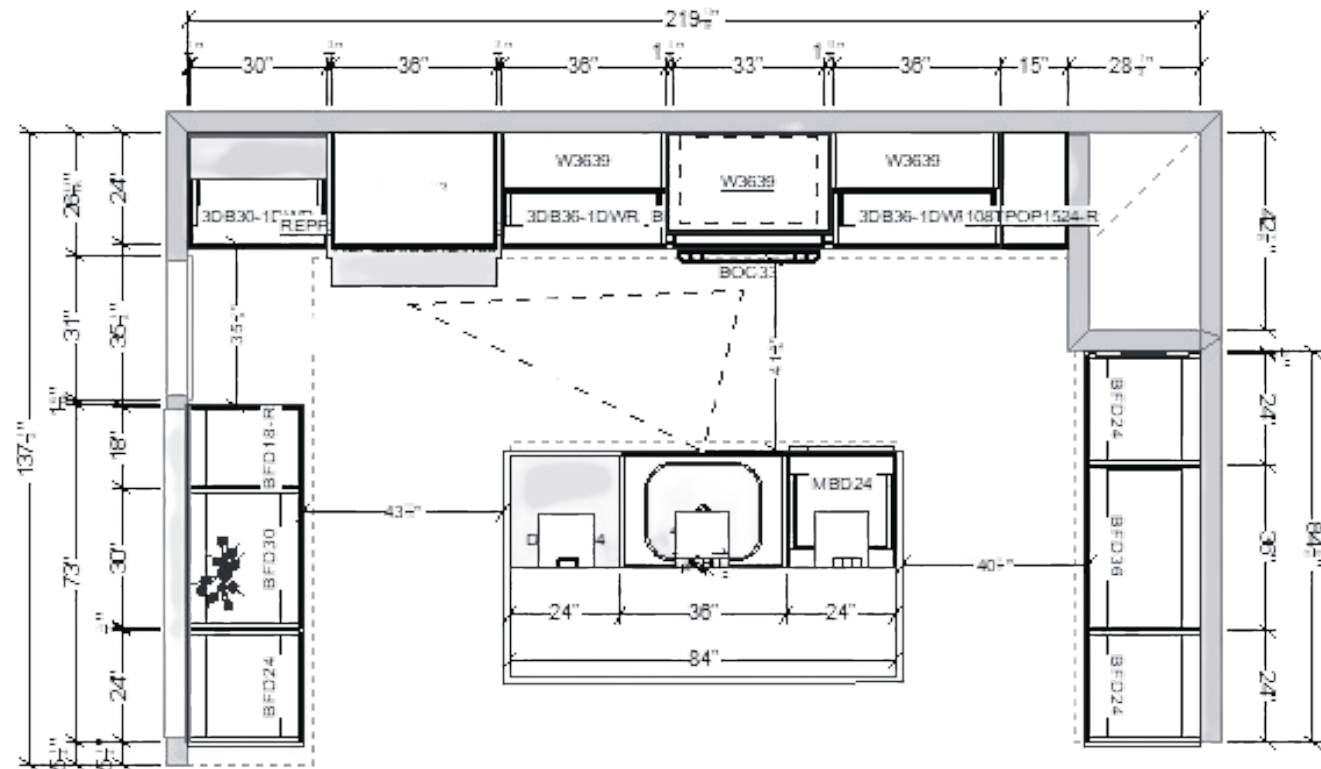

Ages: Newly married couple ages 26

Style Preference: Mediterranean meets contemporary

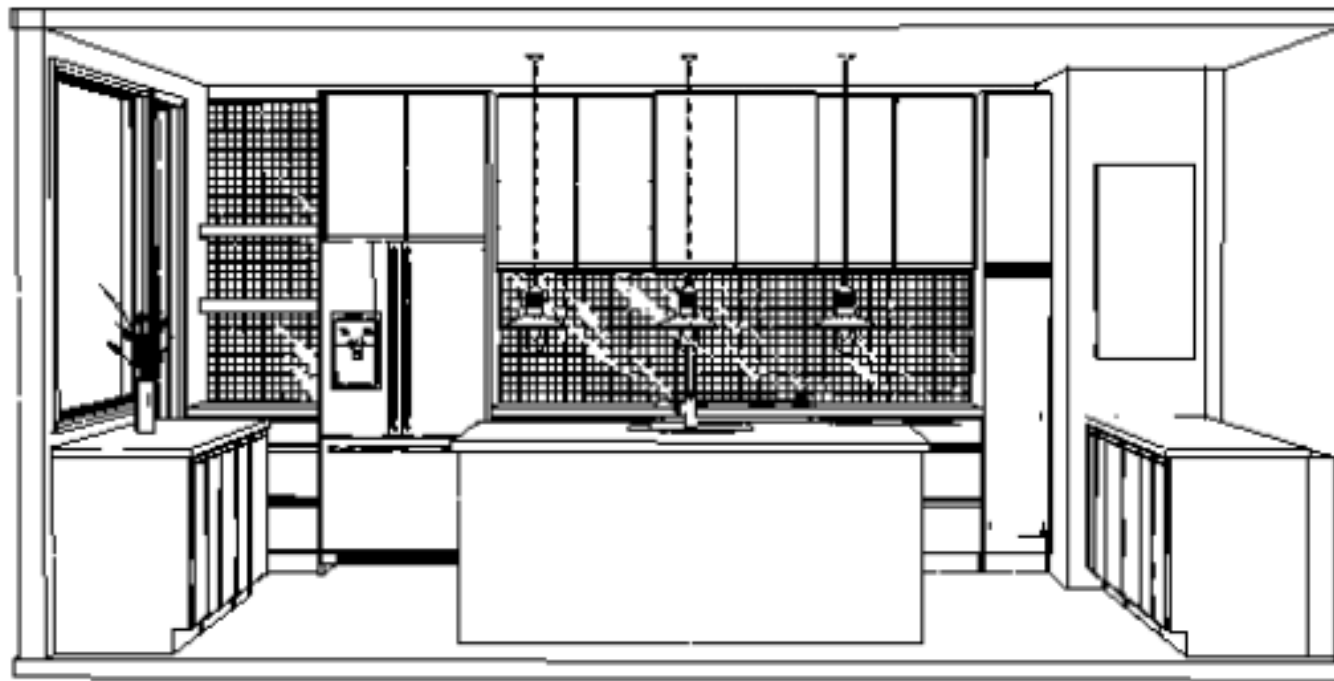

Goals: To bring luxury in a soft but visually pleasing way.

Design Concept

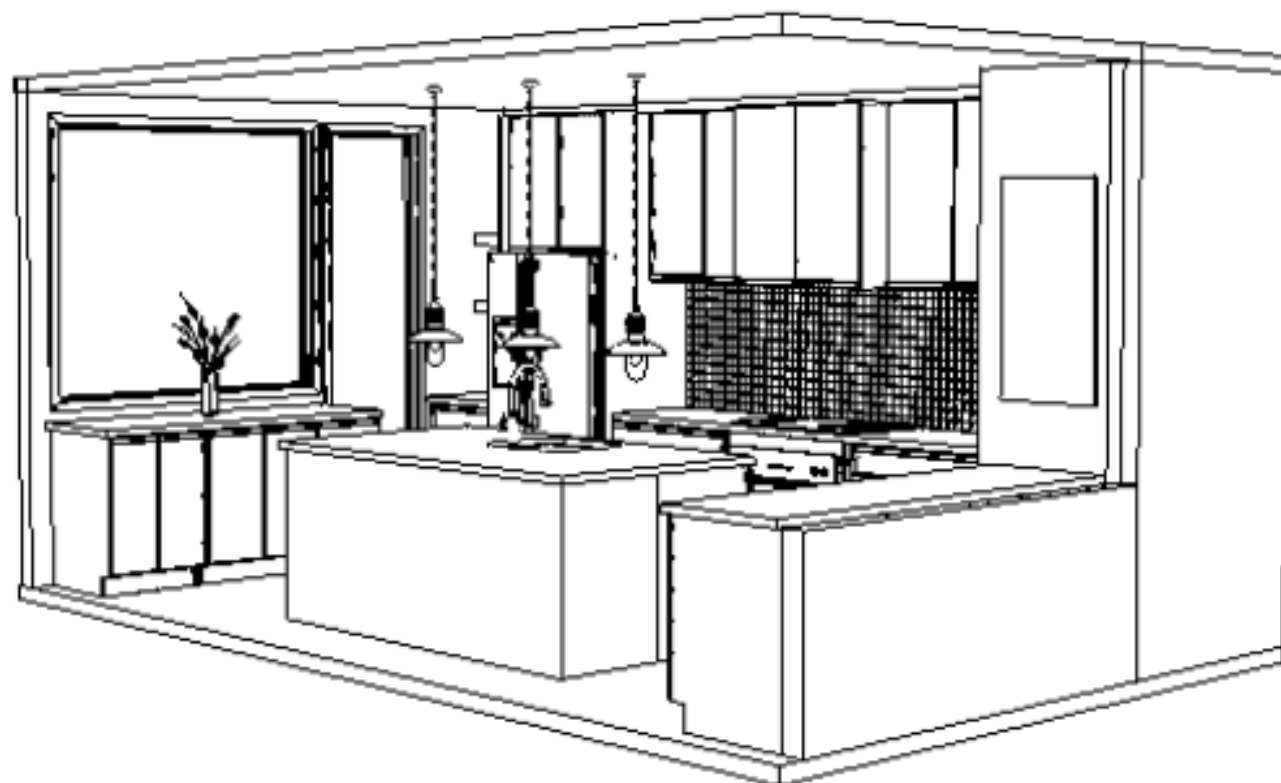

Design a kitchen that encompasses the history of the building while identifying key elements the clients are longing for. The purpose of this kitchen project is to embark on a creative journey outside of the social norms. We are designing a space that unites personalities but also allows for a space of solitude depending on the time of day.
