Musician – Kente [Dec 21, 2024](#) **Meet our new Bantu born & raised composer, singer/songwriter & live performer.**

Comment: "I've worked with talent like Julian Moore, Marisa Tomei & a number of exquisite musicians. Each of these talented individuals share with Kente an innate need to examine, express & grow. To have a career in entertainment, one must have talent, perseverance & passion. Kente has it all" – [Laibson \[Emmy Award Winning Producer\]](#)

Artist Bio: Kente's vocals are rooted in Hlubi/Xhosa nature. His blend of indie Afro fusion with elements of jazz, house & hip hop advances the refreshing mix of choral melodies & lyricism. Growing up, his ear was tightly tied to Mandoza, Hozier & Brent Faiyaz. Kente is the co-founder of FourAcres LLC, a production company in collaboration with GRAMMY award winning producer, Zakes Bantwini & Ukraine's Grand Prix award winning band, Dhakhabrakha. Kente's music dives into the journey of knowing yourself coupled with all the real life stories before & after that superpower.– [Buhle from AcreReports](#)
