

BRETT TAYLOR

CONTENT CREATOR

ABOUT

London-based videographer, editor and content lead with a focus on creating standout, social-first content that connects. Experienced across the full production process – from concept and shooting through to edit and delivery – and trusted by major brands to bring bold ideas to life. Comfortable leading creative direction or jumping behind the camera, with a sharp eye for detail, fast turnarounds and content that feels native to every platform.

EMPLOYMENT

VIDEOGRAPHER | COOLR (Feb 2025–Present)

Leading and creating social-first content for major brands including Samsung, Deliveroo, Tango, Starbucks, Burger King, Compare the Market and Travelodge. Hands-on across every stage – from shooting and directing through to editing and delivery – with a focus on bold ideas, fast turnaround and content that actually connects. Also continuing to support long-term clients like Red Bull, BBC, Channel 4 and Capital One with creative direction, filming and post.

EDITOR | OBJEKT (2023–2025)

Working across social and TV content with a strong focus on editing, visual effects and colour grading. Skilled at turning projects around fast without losing quality. Known for translating client briefs into high-impact visuals that feel fresh, engaging and platform-native.
