

When you realize the babies born today will actually live to the year ✨3000✨

3000

The increasing trend towards irony in meme culture has resulted in absurdist memes not unlike postmodern art.

Another example of a meme used in ironic and surreal form, and evokes obscurity and randomness.

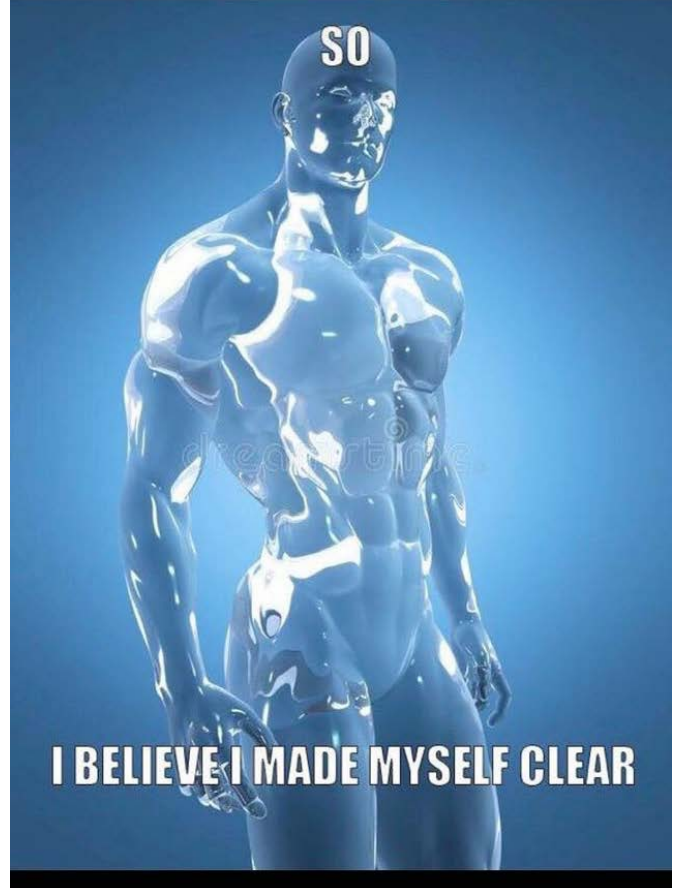

My baby is GAY!

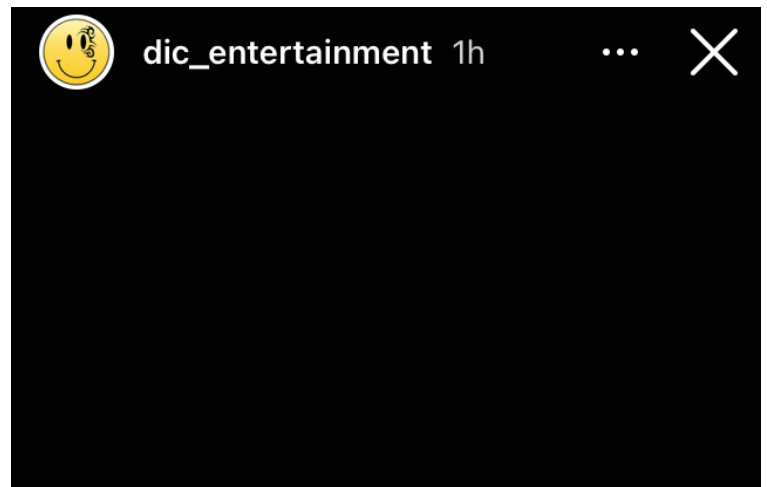

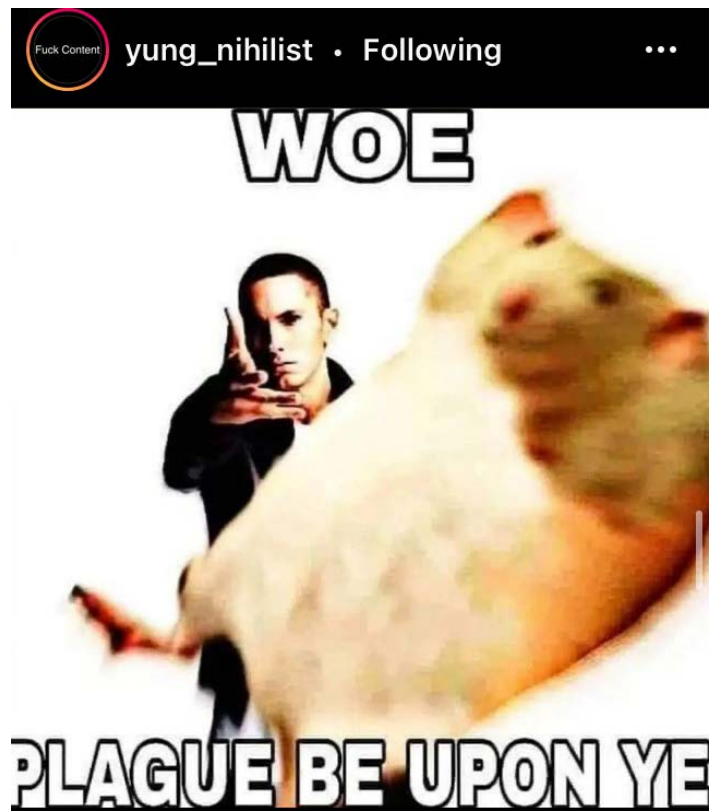

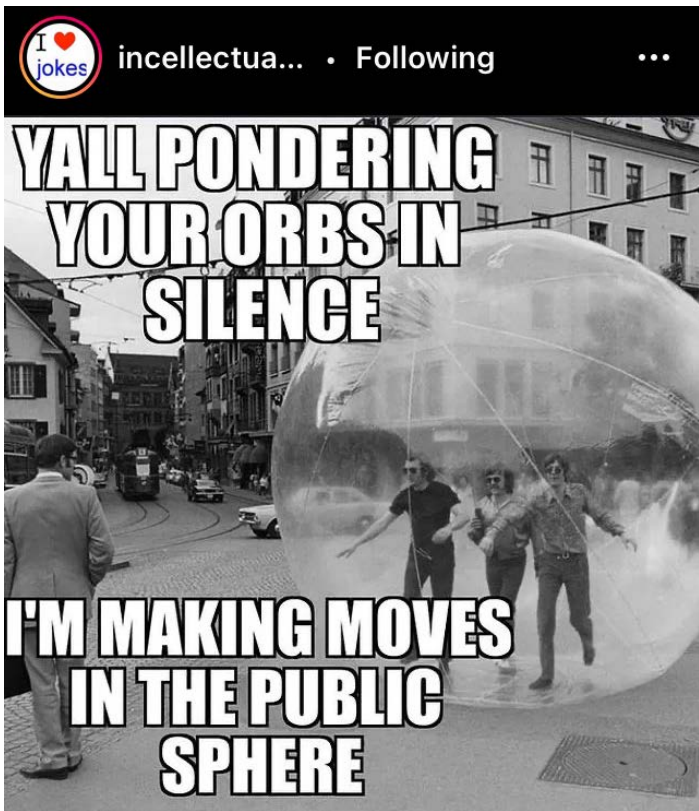

Yea this is him! He's gay

★★★★★ **THIS VIOLATES EVERY ELECTRICAL CODE OUT THERE, it is INSANE that these are manufactured!!!**

Reviewed in the United States on May 21, 2018

Oh my Lord. I was searching for a funny sign I saw about these in a Home Depot, and came across this as an actual product being offered on Amazon, I had to check it out. I do not normally write in all caps, BUT DO NOT USE THIS. THIS PRODUCT SHOULD NOT EXIST!!!! IT NOT ONLY VIOLATES PRETTY MUCH EVERY ELECTRICAL CODE OUT THERE, BUT IT WILL KILL YOU, SOMEONE YOU CARE ABOUT, OR BURN YOUR HOUSE/SHOP DOWN. AT THE VERY LEAST IT WILL DESTROY SOMETHING EXPENSIVE IF YOU SOMEHOW MANAGE TO USE IT WITHOUT A FATALITY.

I didn't even think this could exist this day in age. And this isn't some backyard electrician who makes their own, there is a factory, somewhere, that makes these. Holy crap. Please, for the love of all that is holy, DO NOT USE/BUY THIS. THIS IS NEVER, EVER, NEEDED, and don't let anyone tell you otherwise.

What's Up With That: Why It's So Hard to Catch Your Own Typos

The reason typos get through isn't because we're stupid or careless, it's because what we're doing is actually very smart.

Right. Just to get things straight this is the dog me dad took a photo of yesterday so some dope spotted and decided to take pictures of me dad's van and post it all over fb telling everyone to watch your dogs basically saying he's going round pinching dogs. He took the photo cos he couldn't get over how fat the dog was. He's a plasterer not a dog pincher and if he was to go pinch a dog it wouldn't be that fat lump

A fact-checking interface for a post from the user 'fraud.cool'. At the top left is a circular logo with a red 'X' and the text "I DON'T WANT TO BE THE VERSION OF MYSELF". The word "False" is centered in bold. Below it, a paragraph states: "The same false information was reviewed in another post by fact-checkers. There may be small differences. Independent fact-checkers say this information has no basis in fact." A "Fact-Checker: Check Your Fact" logo is on the left, followed by the text "Conclusion: False" and "More Information: FACT CHECK: Did Joe Biden Say, 'Buy A Man A Fish, He Day, Teach Fish Man, To A Lifetime?'". At the bottom, a link reads: "Learn more about how Instagram is working with independent fact-checkers to reduce false information."
