

Designer by trade, climber by heart. With a background in product design, I thrive on creating cutting-edge sports gear. My skills span from research and concept development to sketching, editorial design, and creative direction. I bring a fresh, multidisciplinary approach to every project, always eager to tackle new challenges and push boundaries—both in design and on the rock.

Experience

The NeverRest Project Final Degree Thesis	2023 2024	In collaboration with The NeverRest Project and Trangoworld. I conducted research and designed a specialized suit for Sherpas and workers on Everest expeditions.
Llum BCN Workshop at ELISAVA for LUM BCN 2024	2023 2024	Four-month Workshop - Developing the installation for ELISAVA x LLUM BCN 2024, from concept and light experimentation to its final realization.
Food Lab Barcelona Food Design Intern	2021	Design of tools for high-end gastronomic experiences. Contributed to the conceptualization of food experience narratives.
ASIMETRIC, Rosa Cortiella Ceramic Assistant	2017	Support at the summer ceramics center.

Studies

ELISAVA, School of Design & Engineering	2019 2024	University Degree in Design & Innovation. Specialized in Product Design.
LA MASSANA, Centre d'Art i Disseny.	2015 2017	High School Diploma in Arts.
