¹ The *Atlas* chapter offers some lines of reflection within the PAV and beyond. However, we strongly encourage you to familiarize yourself with the site in order to grasp the territorial issues at stake.

² The three proposal formats are described in the *Interventions in situ* chapter of the call for projects.

³ The schedule of interventions will be established based on the availability of the selected participants. Please indicate all the dates on which you would be available for a potential intervention.

⁴ The date of Wednesday, October 15, is part of a collaboration with the Rendez-vous de l'Urbanisme; on this occasion, an evening performance near the Pavillon Sicli will be favored.
