

Jacob Muilenburg  
*Waterfront Property*

U-Haul Gallery is pleased to announce Jacob Muilenburg: *Waterfront Property*.

Waterfront Property centers on a 2x4 structure that reproduces the available walking space in Muilenburg's own Chinatown bedroom, calling into question our peculiarly intimate relationship with rented living space. Working with painting and sculpture, Muilenburg explores concealment, openness, and the human tendency to self-mythologize.

*Typically what cannot be seen  
is what we most like to see.  
Longing is my favorite  
Material for engaging (not picturing,  
Not illustrating) holes.*
