01_Work

Almost Studio *NY Designer 2024-Present*

DEER HAVEN - Private Home. Assisted with Concept + Design Development stages.
113 MADISON - Cafe. General representation.

Something Special Studios *NY Freelance Spatial Design 2024*

NIKE PARIS HOOPS FEST - Brand Activation - Basketball Game and Performance Venue. Helped develop multiple design strategies for a multi-part operation. Responsibilities: coordinating with clients, creative director, art directors, production partners, and graphic design team. Managing presentation deck, drafting fabrication drawings for production partners, sourcing reference imagery, complete schematic and presentation level visualisations, and make explanatory diagrams along the way.

RIMOWA ORIGINAL BAG ACTIVATION - Brand Activation - Bodega/Cafe + Merchandise Display. Helped develop multiple designs for a temporary pop up in New York. Responsibilities: sourcing reference imagery, concept development, test fitting, diagramming ideas, visualizing them schematically and conclusively, managing presentation deck, coordinating w/ teams of varying scales and expertise. AVAILABLE WORKS BOOK FAIR - Trade Fair. Assisted project lead with layout and execution. Responsibilities: compiling drawing set for production partner, assist with final circulation routes and booth distribution.

RENNELL MEDRANO 180 Strand - Exhibition. Constructed 1/2" scale model for artist/photographer Rennell Medrano to use as a working model for an upcoming exhibition of new work.

Maurizio Bianchi Mattioli *NY Architectural Designer 2021*

GENERAL - Directed and completed representation of several past and current projects for press and website publication (restaurants, bars, private homes, apartment complexes, furniture, industrial objects).

FRAME HOUSE - Private Home. Assisted Maurizio with design and visualization of schematic features for kick-off design package.

360 HOUSE - Private Home. Assisted Maurizio in initial mockups, diagrams, and visualizations for concept design package.

WORKac *NY Junior Architect Winter 2020*

FAQRA SKI LODGE DEV. - Mixed-use Housing. Worked with partners and project Associate Maurizio Mattioli on a mixed-use development in Lebanon. Researched, developed, and visualized masterplan including hotel, restaurant, several villas, duplexes, triplexes, communal space and access to adjacent ski slope.

OMA NY *Intern Summer 2019*

POST HOUSTON LIVE NATION 713 MUSICAL HALL - Concert Venue. Proposed and visualized designs for experimental lobby space, hidden club, and the adaptive venue.

NYC TOWER. Winning competition team member during final design crunch. Worked closely with colleagues on representing and constructing several models of differing materials and scales integral to competition entry.

OMA/AMO Rotterdam *Intern July 2018 - Jan 2019*

WAFRA TOWER - Residential Tower. Winning competition team-member. Iteratively designed and modeled digitally + physically the winning entry along with our team of 6. Visualized (photographed, rendered, and illustrated) the entry throughout all stages of development.

PRADA 2019 SS CARTESIAN THEATRE - Fashion Show. Helped develop design and piloted the logo of the Prada Invites book.

TENCENT BROADBAND CITY - Masterplan. Competition. In collaboration with the Hong Kong office, contributed massing studies digitally and physically, helped along myriad representational tasks. AUSTRIAN HOUSE - Private Villa. Schematic/Design Development push. Collaborated with Federico Pompignolli on design push directed by Koolhaas. 3d modeled at pace and iterated with haste on overall form, material, and interior conditions of a villa which was published in 2024.

Tighe Architecture *LA Intern Summer 2017*

TIGHE MONOGRAPH - Designer. Assisted with the development of the book.

REDRAWN - Exhibition. Modeler. With others, 3d modeled, 3d printed, hand cut, laser cut, and assembled models for the exhibition.

DXA Studio *NY Architectural Designer 2022*

Team member on an array of projects, from Hungarian mixed-use cultural facility on the UWS, to a 4-story apartment complex in Park Slope.

Set Design Visualization *Visualizer and Designer 2021*

Nicholas Des Jardines. Visualize and assist in designing sets for Dior, Spotify, Johnnie Walker, Revlon, Saks Fifth Avenue, and more.

02_Teaching

Harvard GSD *MARCH II Proseminar TA. . Fall 2023*

Provided strategic and administrative assistance to Scott Cohen throughout the semester.

Harvard GSD *Design Teaching Lab Enrollee. Spring 2024*

Seminar with weekly workshops explicitly about pedagogy in the design field.

Wentworth Institute of Technology *Design Critic 2023-2024*

Mid-Review Critic Fall 2023 for Pablo Castillo Luna and Dhruv Mehta *Studio I*

Mid-Review Critic Fall 2023 for Ernesto Carvajal *Studio III*

Final-Review Critic Fall 2023 for Ernesto Carvajal *Studio III*

Final-Review Critic Spring 2024 for Dhruv Mehta *Studio II*

Syracuse Architecture *Undergraduate Representation Teaching Assistant 2019.*

Provided drawing/design lectures and assistance.

Studio Alpha *Portfolio & Personal Statement Tutor 2018-2022*

Advised students in their European and American Architecture graduate school applications. Helped construct their profile to bring out their greatest strengths and ensure consistency across their applications. I advise 3-6 students from September through February, annually.

03_Education

Harvard GSD *(MARCH II). 2022-2024*

Syracuse Architecture *(BArch). 2015-2020*
