## EXPERIENCE

### Freelance Custom Pen Art 2024 to PRESENT

A hobby of creating detailed pen drawings turned business of drawing original photographs from clients into hyper-realistic drawings with a fine .005 micron pen.

### Marketing Coordinator Internship - Aldrich VKP 2020 to 2024

Experience working directly under the Marketing Coordinator at Aldrich VKP, a construction company located in Bothell, Washington. Attained skills in creating proposals, organizing marketing collateral, branding, and refining past projects into social media posts. Most notably, I am credited in the design of their new logo after they acquired another company.

### Food Truck Manager - Sugar & Spoon 2021 to 2022

Overhead tasks of restocking, counting till, promoting brand exposure, and driving the truck (even in tedious city streets). Learned leadership skills in the customer service industry with employees and building relationships with the customer base.

### Collegiate Athlete - Women's Soccer 2022 to 2024

Played at the competitive college level my first two years of college before medically retiring my second year. Through experience I learned valuable lessons in teamwork, leadership, collaboration, persistence, and time management.
